[Our top placed students with multiple offers](#)

United Group of Institutions (UGI) has always had the privilege of admitting the best and quality pool of talents into the various streams of Engineering and Management programs who excel in their areas of specializations/interests/skills and have achieved success in living up to the expectations of the society and the Nation, in a broader sense. The presence of state-of-the-art and world-class learning and research facilities, industry collaborations, global exchange programs, innovation centres, Entrepreneurship Development Cell, interdisciplinary research collaborations and industrial training opportunities help the students of UGI to excel and be ahead in the changing competitive professional environment.

The Corporate Relations Centre is the nodal point for the training and placement of all the institutes of United Group. Placement Season for 2022 passing out batch at UGI started in the month of September 2021 and followed virtual as well as in-campus placement drives. With a huge participation of as many as 175 companies with 1300 registered students for placements witnessed 2101 offers making 1605 students placed in companies of repute till May 25, 2022.

The training and skilling activities organized under the Employability Skills Enhancement Program (ESEP) help the placement registered students for their personal as well as professional grooming and job readiness. There were preparatory activities conducted by the placement cell, in collaboration with the other firms like CodeQuotient, Cocubes, Great Learning etc. All the students got onboarded on the Superset Placement Platform which then started receiving the job options and opportunities in mid September. Company officials also started approaching the CRC during October and November months to commence discussions of their job offerings and later shared their Job Description and Job Application Links. Selection processes observed various steps such as Pre Placement Talks (PPT), Group Discussions, Written/Online Aptitude/Technical Tests, Interviews, and final HR rounds before getting the offers released to the deserving and selected students. Placement started with UGI's Day-1 company Infosys followed by TCS, Wipro and Mphasis. Besides some of the other giant corporates offered coveted jobs across sectors recruiting in large numbers, which was pivotal for the success of the placement season 2021-22. The highest number of offers was rolled out by the Engineering and Technology sector, ascertaining the technical proficiency of UGI students.

First Issue of the Placement Bulleting has the pride of sharing and covering different milestones achieved and prospective plans.

AVERAGE PACKAGE

It gives me immense pleasure and pride to share this year's Placement Report. Breaking its last year's placement record, United Group of Institutions (UGI) witnessed 2151 placement offers in more than 175 companies till the mid of May 2022 with a record of 86 per cent placement for its Computer Science, IT and Circuit branches, 80 percent for its management streams followed by 66 and 60 percent for its core Mechanical and Civil Engineering branches respectively. This year's Placement Analysis notices the maximum package of Rs 23.5 lakh, average package of Rs 6 lakh and median package of Rs 5.5 lakh per annum.

IT Services and IT consulting majors included 221 offers in Infosys, 272 in Wipro, 165 in TCS, 165 in Mphasis, 35 in Harman Kardon, 30 in Nucleus Software, 24 in Nagarro, 18 in HCL Technologies, 14 in Capgemini and many more. Companies including Infosys and Wipro offered both Technology and Management consulting roles. Companies including Walmart, Indus Valley Partners, Merritech Solutions, Mirra Health, Cogitate Technologies and Decimal Technologies offered product roles. Other tech giants such as Hexaware, Zensar, Metacubes, Hexaview, Tech Mahindra and other companies in the IT Services and IT consulting domain offered sector specific roles.

Besides a significant per cent rise in the IT sector, various other sectors witnessed similar upward trends. 175+ companies representing Software, IT, Automobile, Power, Service, Ed Tech, Banking & Finance, E-Commerce, Digital Marketing, Retail, Infrastructure, Manufacturing, Legal & Audit, Real estate, Consultancy, Telecom, Healthcare, Consumer durables etc. participated in the placement season and students across all the streams bagged some of the most sought-after roles in domains such as Artificial Intelligence and Machine Learning, Cloud Computing, Digital strategy, Digital Marketing, Analysts etc. Q H Talbros, Zenus Group, Dhoot Transmission, Q H Talbros and companies alike offered core job roles to core engineering branch students. As many as 114 students of MBA bagged jobs in top banking firms like HDFC, ICICI, etc. at lucrative annual package ranging from 3.5 Lakh to 6 Lakh per annum. UGI witnessed marvelous placement season with an increase in offers across varied sectors, capitalizing on favourable market conditions.

This year's academic and placement achievement could be measured not only in terms of quantity but the quality as well. Out of total 2151 offers and 1800 students placed, more than 1000 offers fall in the range of 3-4 LPA; as many as 119 students bagged offers with an annual package between 9 to 10 lakh; 683 students till date are sitting with offered package of more than 5 LPA. Moreover, 560+ students are sitting with more than two offers. Students also achieved their dream offers with Software Product companies such as Indus Valley Partners, Merritech Solutions, Farmart, Mirra Health etc. In Infosys also, amongst 221 selections, more than 60 have received Digital Specialist Engineer profiles with CTC 6.25 LPA while three students have bagged the topmost profile of Specialist Engineer also known as Power Programmer with an annual package of 9.5 LPA. We are extremely proud of having been able to continue strengthening our talent pool and recruiter pool thereby bringing an array of diversified opportunities for our bright scholars.

**Dr. Divya Bartaria**  
*Dean, Corporate and Industry Relations*

### Corporate Relations Centre (CRC)

The CRC facilitates the process of placement of students graduating from the institute besides collaborating with leading organizations in setting up internship programs for the students. It provides the infrastructural facilities to conduct pre-placement talks, online and written aptitude tests, group discussions, interviews besides catering to the hospitality of industry officials while on campus.

### Vision

To nurture the talent and deliver the competent and skilled resources ready to face the challenges of a global industry

Primary Vision of the Corporate Relations Centre (CRC) at United Group of Institutions (UGI) is to build the mutual trust and mutually fulfilling relationship between Industry and Institute in order to bridge the existing gap between the two, ultimately making the students employable, industry-ready and placed on one hand and fulfilling the industrial needs on the other hand.

The Corporate Relations Centre at United Group of Institutions assisted by a dedicated committee of academicians, trainers, counselors, and student volunteers envisages working in a coordinated manner to enhance its mission and life skills.

### Mission

- Design training programs for continuous development of Staff and Students
- Offer guidance to the students on career development, resume building and interview skills
- Secure challenging job opportunities
- Need assessment of the corporate world through partnerships with all the stakeholders
- Obtain feedback from industries and corporates
- Create a culture of continuous development and self-learning

### Goals

#### • Building Corporate Connections

CRC plays a significant role in building a meaningful, beneficial and continued relationship with Corporate Companies and Industrial Associations/Bodies nurturing and enhancing the areas of Research, Education, Skill-Development, Placement and Consultancy in close coordination with all internal stakeholders.

#### • Training, guidance & Counseling

CRC's inevitable agenda is to place the right talent at right place by providing right kind of training opportunities for the students. With the help of CRT, the Centre strives to enhance students' skills and employability via Employability Skills Enhancement Program (ESEP) that offers support and guidance to students in finding suitable career opportunities after their graduate program.

#### • Placement and Career Development

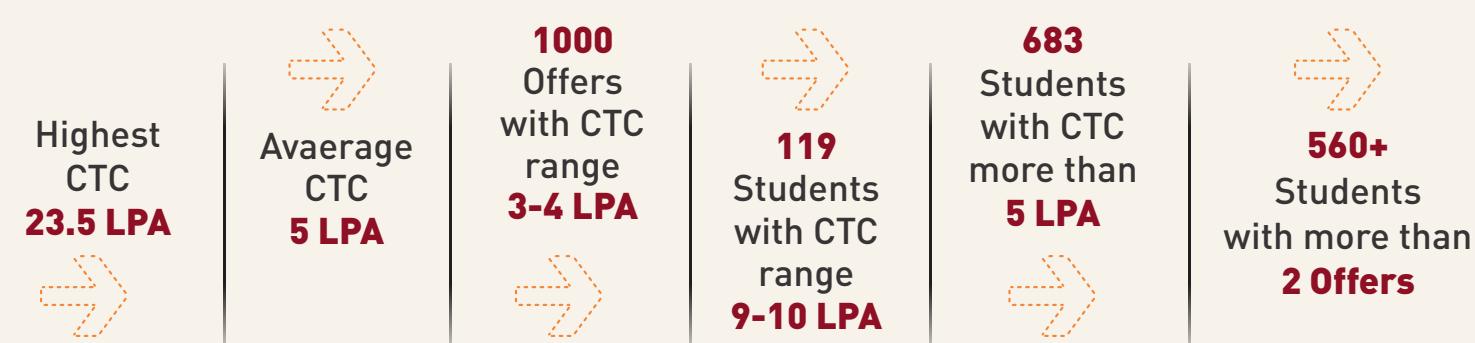

The ultimate goal of CRC is to make all its aspiring students rightly placed in competitively reputed IT and core manufacturing, infrastructure companies' right at the campus itself. United gives importance for placement activities, skill-mapping and intensive trainings so as to ensure the students get suitable career choices during and after successfully completing the program.

# Placement Season 2021-2022

## Placement Highlights 2022 Batch

(Till May 31, 2022)

### College/Program-wise Placement Statistics

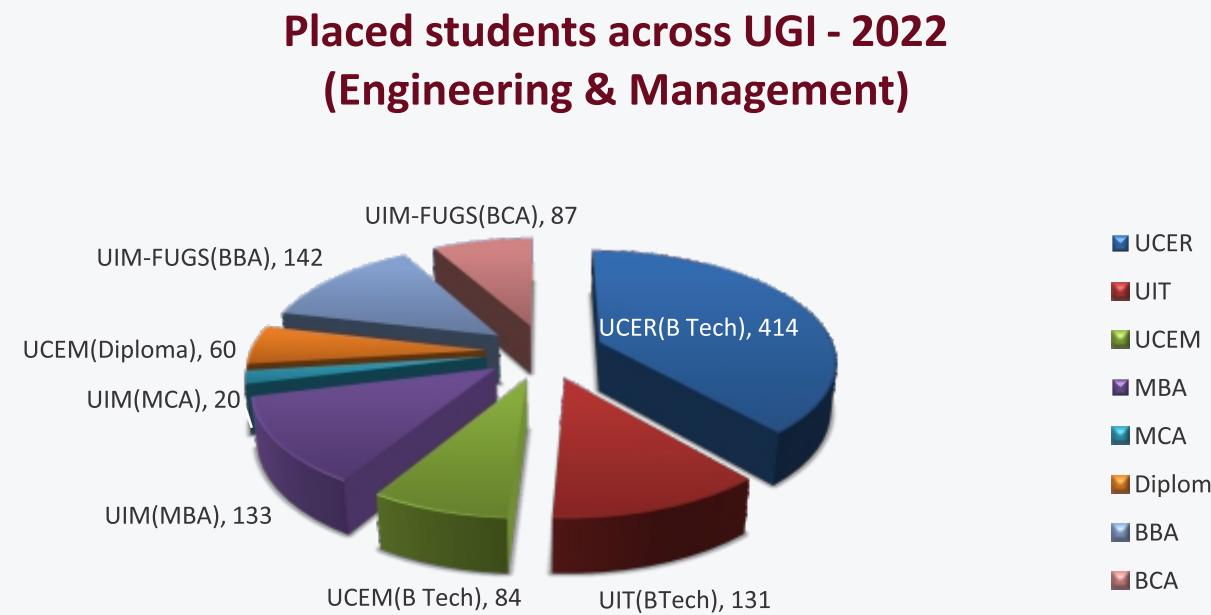

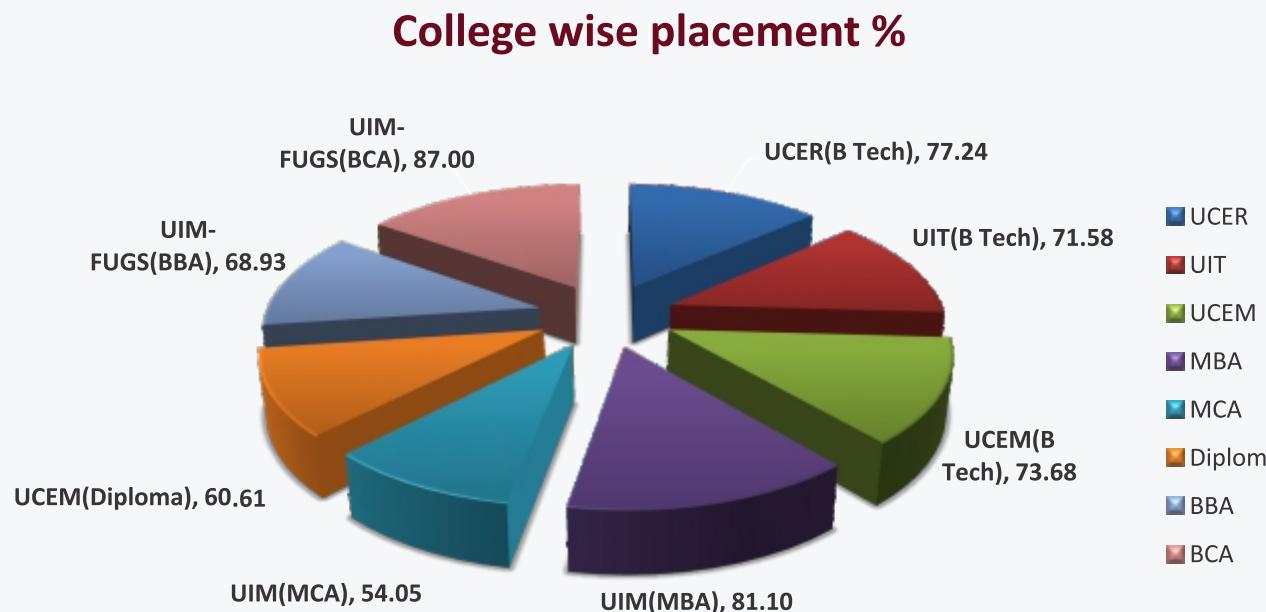

All the students are categorized into different categories on the basis of their career interests and plans. Some students having their clear focus on higher studies, family business; PSUs / GATE etc do not necessarily participate actively in campus placements. However, all the students interested in jobs/placements register themselves with CRC on its Superset Platform.

Besides, CRC registered students also get placed through channels other than campus placements such as Cocubes, Great Learning, CodeQuotient, SHL, UIIC-AKTU and other off-campus opportunities. The college/Course-wise Placement Status is provided in Table-1, Figure-1 and Figure-2.

**Note:** Placed count excludes students, who opted for higher studies or had other career options, and hence de-registered from the placement process.

Table 1: College/Course-wise Placement Status as on 31<sup>st</sup> May 2022

COLLEGE DATA	Total no. of offers	PLACED
UCER/B.Tech	963	414

#### Branch / Specialization-wise placement statistics: (Engineering/Management/Computer Applications)

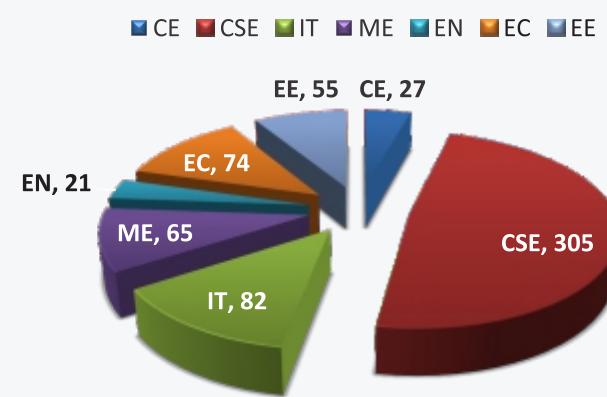

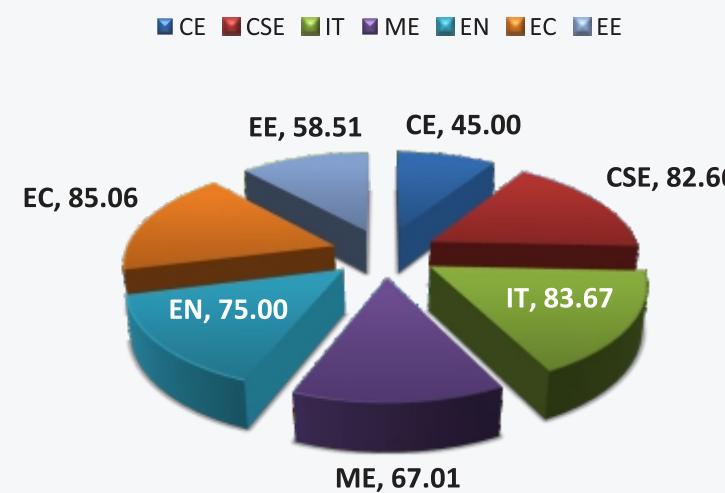

UGI, Prayagraj provides engineering education across 07 different departments, spanning students from under-graduation to PG; management education spanning students from BBA to MBA and Computer Applications Education spanning undergraduate students of BCA to post-graduate students of MCA. The CRC team endeavors to get companies from core as well as IT & non-core sectors for students. Table-2 reflects college-wise and branch-wise placement status in terms of placed students' numbers as well as placement percentage while Figure-3 represents its pictorial presentation.

**Table-2:** College-wise / Branch-wise Placement Status – 2022 Batch

### Salary-wise placement statistics

This year's Placement Season observed varied salary packages and high to medium profiles across various diversified sectors. More than 119 students bagged offers with CTC ranging from 9 to 10 LPA; one student achieved the topmost CTC offer of 23.5 LPA with Walmart company. Out of total 2151 offers and 1800 students placed, more than 1000 offers fall in the range of 3-4 LPA. 683 students are sitting with offered package of more than 5 LPA while 560+ students have got multiple offers. This suggests an inclining and a positive trend in the pay package offered by various organizations. Salary-wise classification of total offers made in the year 2021 - 22 is shown in Table-4.

**Table-4:** 2022 Batch – Highlights of CTC Ranges vis-à-vis Placements

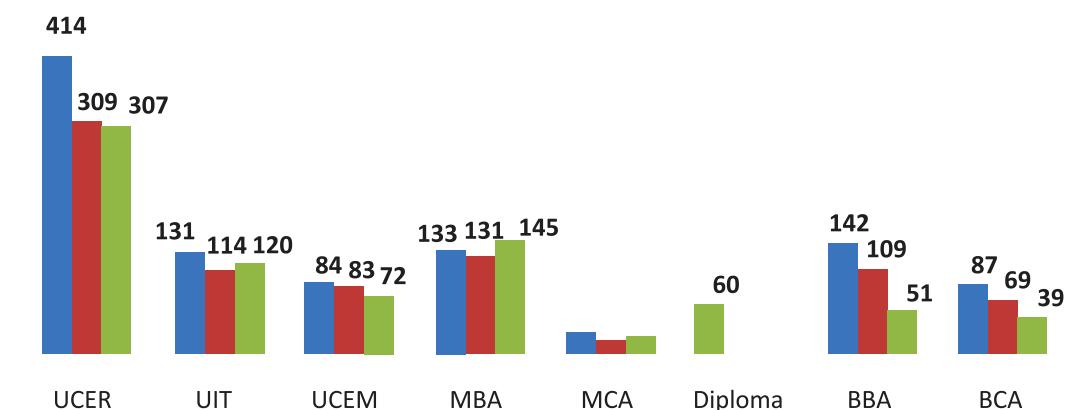

Package Range	No of selections

### UGI Placements – Progressive Journey across 3 years (2020, 2021, 2022)

Despite the challenging market situation in this VUCA environment during and beyond Pandemic, CRC-UGI managed to maintain a good attraction for the recruiting firms. Software IT and ITeS sectors witnessed quite significant recruitments fulfilling the needs of the Digital Economy and Digital Transformation. B.Tech. CS, IT and EC students maintained almost the same demand amongst companies of various sectors. Students of Non-circuit branches adapted with the situations and got absorbed in IT and Core Sectors. Table-5 represents the comparison of students placed over the last three years and the progressive journey of UGI Placements.

Placed in Infosys SE (3.68LPA), Nucleus Software (4.25LPA), Wipro Elite(3.5LPA), Mphasis.(2.75LPA)

**Megha Dhupkar UCEM, CS**

Placed in Infosys SE (3.68LPA) , Wipro Elite, (3.5LPA) Mphasis, TCS (ninja)(2.75LPA).

## UNITED COLLEGE OF ENGINEERING & MANAGEMENT, PRAYAGRAJ

**Sarthak Srivastava UCEM, CS**

Placed in Infosys SE(3.68LPA), Knocial, Forcebolt Pvt Ltd (4.0LPA) and Zensar (4.5LPA)

**Aman Kumar Singh UCEM, ME**

Placed in Air Control & Chemical Engineering Co Ltd (3.45LPA) , Byju's (10LPA) and Zenus Group (3LPA)

## Our Top Recruiters – 2022 BATCH

## VALUE ADDITIONS AT CRC, UGI

Our excellent placement record over the years speaks about the value additions done at the level of CRC by joining hands with training, assessment and recruitment organizations apart from the industries/comapnies. Following collaborations are playing important roles in adding values to the talent pool and its placement:

### 1. CodeQuotient

CodeQuotient is a Learning and Career platform for aspiring programmers that empowers our students to prepare for high-growth careers in the digital economy. CodeQuotient's intensive, skill-based training programs bridge talent gaps in coding, data analytics, UX/UI, and cyber security. Thousands of students have successfully completed CodeQuotient powered programs and more than 200+ companies employ them.

### 2. Great Learning (Associated since August 2021)

Great Learning platform provides the pathway to all the students to learn various courses (viz. Java/C++, Dot net developer, MS access and office etc.) to up skill themselves and apparently increase their weight age in the job domain. This time we have facilitated Business Analytics course to our students.

163 students (MBA/MCA/BBA/BCA) of 2021 and 2022 passing out batches were registered for Business Analytics course offered by Great Learning

**Placement Process** - All the registered candidates must clear the job eligibility test in order to apply for any job opening in Great Learning.

No of selections through Campus Placements via Great Learning - 44 selections till the date for 2021 & 2022 with average package of 4.5 LPA.

Candidate Name	College Name	Batch	Company	Designation	Package (lpa)
Tanisha goyal	UCER, GREATER NOIDA	2022	IDfy	Software Engineer	8

### 3. AON CoCubes

"CoCubes" has been in collaboration with United Group of Institution since 2010. It is India's largest assessment and hiring platform that assesses students to measure and improve their employability; helping them move ahead on their career path.. It is a scientifically designed employability assessment administered nationwide to Final Year Engineering and MBA candidates in a proctored environment. It provides employability related insights and job opportunities to students all over India across different job roles.

The list of companies offered jobs to our students is as follows:

S. N.	Company Name	Salary (LPA)
1	DeTect Technologies	8.00
2	Ameyo	7.50
3	Ameyo	7.50
4	Zenoti Ltd.	7.50

#### 4. Summer Training/Internships with IBM

CRC, UGI has collaborated with IBM for its various offerings towards students' skilling. IBM offers UGI students a 6 weeks' Industry projects for the summer training program on the following technologies:

- Programming with Python
- Machine and Deep Learning
- Artificial Intelligence
- Big Data Analytics
- Business Analytics (for Management Students)

#### Deliverables from IBM include-

- Digital Badges
- IBM Certificate (Globally valid certificate from IBM)
- IBM Day
- Participation in competition
- Mentorship - Live Virtual

#### 5. MoU with Maven Silicon

CRC has collaborated with Maven Silicon for its job orientation courses producing highly skilled VLSI engineers and helping the semiconductor industry worldwide to meet the growing demand of chip design experts.

## 6. UiPath Student Developer Program and UiPath Community (Career Scope as RPA Developers)

This is another wonderful initiative by Alumnus Juveria Siddiqui, who introduced UGI with UiPath Student Developer Program. The program focuses on enabling students to learn one of the leading RPA technologies from Ui Path through engaging activities and workshops. It also helps students to build and hone communication skills, leadership skills, and a collaborative mindset.

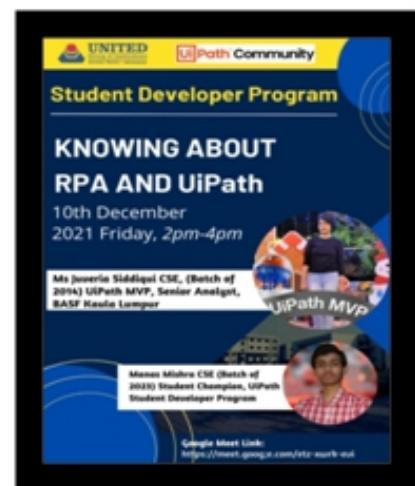

### Events/activities done so far:

### Agenda – Ui Path and its importance in Projects and Career Prospects

Presenter Alumnus – Juveria Siddiqui,  
Co-presenter - Immediate trainee, Ui-Path Champion from  
Ui Path Academy – Piyush Agrawal

Date – 6 August, 2021

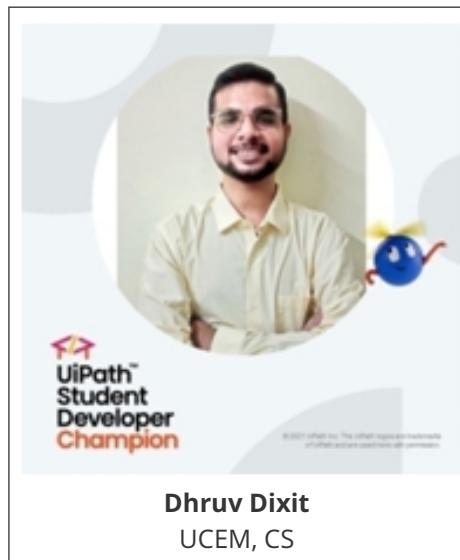

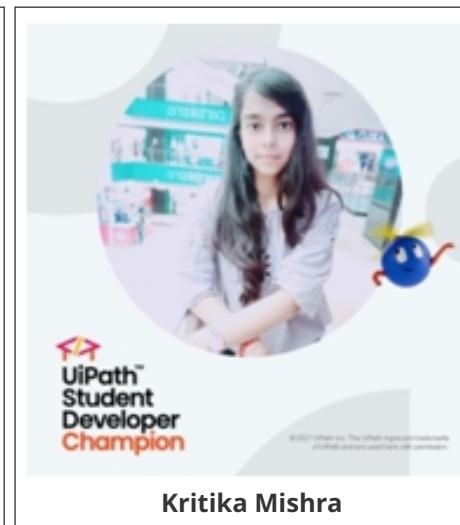

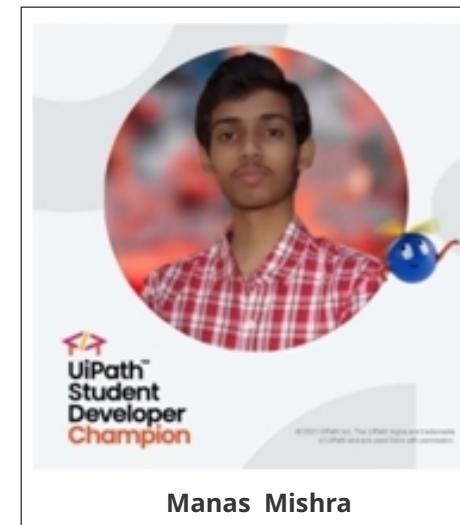

### Agenda – INTRODUCTION TO RPA FOR B. Tech First Year

A Student Developer Program By UiPath Community was organised at UCER auditorium hosted by 3rd year student Mr. Manas Mishra, Ui- Path Champion under the virtual guidance of Ms. Juveria Siddiqui (Notable alumni, 2014 Batch). The two hour long session gave an insight about RPA i.e. Robotic Process Automation, where students were demonstrated on its applications and were informed of the career prospects in this field. Nearly 400 students attended this session enthusiastically.

Date- 10 December, 2021

## Our UiPath Champions – Session 2022

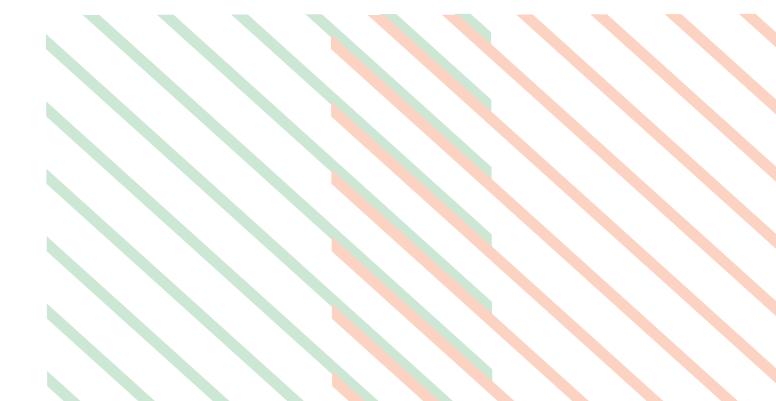

### 7. Collaboration with Leverage Edu for Higher Studies Abroad

Corporate Relations Center (CRC) has joined hands with Leverage Edu for its offering to those who aspire to study abroad and to explore overseas opportunities. In this regard, CRC aims at selecting interested students for their guidance, counseling, training, preparation and then admission in some of the prominent foreign universities of their choice and caliber.

### Conclusion

Most of the companies recruited virtually throughout the placement season while a few companies started their campus drives from the months of March 2022. Despite the complexities and adversities, students attended all the training and skilling programs and put their best efforts in learning and career development. The compensation package, numbers of offers given to our students have steadily increased over the years. The placement percentage has been gradually increased over the years. This has clearly showed and ensured both the trust and confidence the corporates have in our institutes and its students.

The importance of the efforts, which were put are reflected well in the NBA accreditation as well, since placement is a major contributing factor here. The complexity of the COVID phase never obstructed our strategy and plans towards our placement goals and objectives. Moreover, the dynamism of job market was retained and uplifted by our rigorous training, mentorship and motivation in pace and sync with the increased corporate selectivity, automation, digitization and competitiveness. Students have become more aware, prepared and ready to join the companies as well. Placement team has achieved its milestones through its dedicated and committed endeavours towards creating more and more opportunities related to students' placements and career development.

## FROM THE DESK OF DEAN, CORPORATE & INDUSTRY RELATIONS

In spite of Global hit on IT firms and its consequences faced off by most of the educational institutes, United Group of Institutions (UGI) reported 1807 placement offers in 175 companies till 31st July 2023.

While the Placement Journey doesn't end here, UGI has recorded 75 per cent placement for its Computer Science, IT and Circuit branches, 80 percent for its management streams followed by 80 and 75 percent for its core Mechanical and Civil Engineering branches respectively. This year, the students grabbed the maximum package of Rs 15.60 lakh, average package of Rs 5.5 lakh and median package of Rs 5 lakh per annum. "Following a progressive focus across the 5 years placement journey, CRC witnessed significantly stable and praiseworthy results in placements this year as well. Certainly it exemplifies the unmatched skill diversification and industry readiness of the students under the unparalleled strategy formulated and executed by UGI's T&P Cell", she added.

This year's placement achievement could be measured in terms of quantity and quality both well supported with students' job satisfaction, joining ratio and retention ratio as well. More than 770 students bagged a package in the range of 5 to 15.6 LPA in reputed companies and roles of their own choices and as many as 450 students are sitting with more than two offers. Indeed, our unstoppable recruitment journey during and beyond pandemic along with the rigorous regular training and upskilling programs at the institutional level made a significant difference.

IT Services and IT consulting majors included 85 offers in Infosys, 65 in TCS, 63 in Hexaware Technologies, 42 in Nagarro, 33 in Jio Platforms, 32 in Nucleus Software, 20 in Hanu Insight, 17 in CompuBrain and many more. Companies including Infosys and Wipro offered both Technology and Management consulting roles. Companies including Hexaview, Hindustan Uniliver, DeltaX, JBM, Aditya Birla, QH Talbros, Asian Paints, PMPL, ICICI, HDFC, Bandhan, Axis, AU Small Finance, Bajaj Finance offered product roles. Other tech companies such as Hexaware, Zensar, Metacubes, Hexaview and other companies in the IT Services and IT consulting domain offered sector specific roles. Zenus Group, Dhoot Transmission and companies alike offered core job roles to core engineering branch students. As many as 114 students of MBA bagged jobs in top banking firms like HDFC, ICICI, etc. at lucrative annual package ranging from 3.5 Lakh to 6 Lakh per annum. 117+ companies participated in the placement season and students across all the streams bagged some of the most sought-after roles in domains such as Artificial Intelligence and Machine Learning, Cloud Computing, Digital strategy, Digital Marketing, Analysts etc.

Other prominent companies across different sectors include Amazon, Decathlon and Zenoti under Retail sector, Vodafone under Telecom, LYBL, Actylis, Alembic Pharmaceutical, Life Work, Protech Biosystems representing Pharmaceutical sector, Colalbera representing Marketing & Advertising sector. Apart from Infosys, TCS, Hexaware, Hexaview, Nucleus Software companies, other IT companies included HCL Technologies, Wiley Edge, Zemoso, Virtusa, Synergy Machines, Grey Orange, Jio Platforms, Nagarro and many more.

Engineering & Construction companies included Ajanta Bottles, Asian Paints, GoldPlus, Manikaran Analytics Limited (MAL), Power Mech Projects Ltd. (PMPL), STP Ltd., Transcon, Triveni Almirah, UnOrg, Utkarsh India Ltd., VACMET and YoungMan India Pvt. Ltd.

Axis Bank, Axis Securities (AMC), Bajaj Finance Ltd., Bandhan Bank, Capital Via, ESAF Small Finance Bank etc. recruited for its Financial Services.

Major Ed Tech companies included Aviotron Aerospace, Byju's, EduKyu, Edu-Versity, Extramarks, GLOBAL ARCUS, Hike Education, Intellipaat, Jaro Education, Learning Routes Pvt. Ltd., Planet Spark, etc.

ESGAUGE, High Beam Global, ILET Solutions, Infollion Research Services, Onit, Pyramid IT Consulting and Ucertify were from Analytics and KPO sector while Auto Components & Industrial Machinery sector recruited through JBM, Krishna Maruti, MASCOT SYSTEM, Millennium Automation Pvt Ltd, New Allenberry Work, QH Talbros, Subros Pvt Ltd., Vikas Group while Consumer Electronics & Appliances covered BlueStar India Ltd., Kent RO and Shirdi Sai Electricals. E-commerce was also preferred by some management students and they got recruited by FlipKart, INDIAMART LTD – FSF & INSIDE SALES, ITC India Ltd. and Trap The Deal Ltd.

Students interested in Power sector got offered at Adani Gas, and Electronics Corporation of India Ltd. (ECIL) while some students were selected in Real Estate companies following their core strengths and interests and there were AARVI ECON Ltd., BPS Constructions and Viraj Ventures. Hindustan Unilevel Limited (HUL) brought students to FMCG sector and companies like Aditya Birla Sun Life, ICICI Pru Life and TATA AIG etc. brought recruited students for Insurance sector.

"Following a progressive focus across the 5 years placement journey, CRC witnessed significantly stable and praiseworthy results in placements this year as well. Certainly it exemplifies the unmatched skill diversification and industry readiness of the students under the unparalleled strategy formulated and executed by UGI's T&P Cell"

**Dr. Divya Bartaria**

# CORPORATE RELATIONS CENTRE (CRC)

The CRC facilitates the process of placement of students graduating from the institute besides collaborating with leading organizations in setting up internship programs for the students. It provides the infrastructural facilities to conduct pre-placement talks, online and written aptitude tests, group discussions, interviews besides catering to the hospitality of industry officials while on campus.

## VISION

**TO NURTURE THE TALENT AND DELIVER THE COMPETENT AND SKILLED RESOURCES READY TO FACE THE CHALLENGES OF A GLOBAL INDUSTRY**

Primary Vision of the Corporate Relations Centre (CRC) at United Group of Institutions (UGI) is to build the mutual trust and mutually fulfilling relationship between Industry and Institute in order to bridge the existing gap between the two, ultimately making the students employable, industry-ready and placed on one hand and fulfilling the industrial needs on the other hand.

The Corporate Relations Centre at United Group of Institutions assisted by a dedicated committee of academicians, trainers, counselors, and student volunteers envisages working in a coordinated manner to enhance its mission and life skills.

## MISSION

- Design training programs for continuous development of Staff and Students
- Offer guidance to the students on career development, resume building and interview skills
- Secure challenging job opportunities
- Need assessment of the corporate world through partnerships with all the stakeholders
- Obtain feedback from industries and corporates
- Create a culture of continuous development and self-learning

## GOALS

### • Building Corporate Connections

CRC plays a significant role in building a meaningful, beneficial and continued relationship with Corporate Companies and Industrial Associations/Bodies nurturing and enhancing the areas of Research, Education, Skill-Development, Placement and Consultancy in close coordination with all internal stakeholders.

### • Training, guidance & Counseling

CRC's inevitable agenda is to place the right talent at right place by providing right kind of training opportunities for the students. With the help of CRT, the Centre strives to enhance students' skills and employability via Employability Skills Enhancement Program (ESEP) that offers support and guidance to students in finding suitable career opportunities after their graduate program.

### • Placement and Career Development

The ultimate goal of CRC is to make all its aspiring students rightly placed in competitively reputed IT and core manufacturing, infrastructure companies' right at the campus itself. United gives importance for placement activities, skill-mapping and intensive trainings so as to ensure the students get suitable career choices during and after successfully completing the program.

# OUR PLACEMENT STATISTICS

## 2023 BATCH

**Total Offers - 1807**

**Total placed - 980**

(Till 31st July, 2023)

**Highest CTC  
15.60 LPA**

**Average CTC  
5.5 LPA**

**700+  
Students with CTC range  
5-14 LPA**

**500+  
Students with 2 Offers or more**

### College-wise Course-wise Placement Status

Keeping in mind the industrial needs and demands across various courses and specializations, and students' interests, abilities and skills, each and every institute of United Group is strategizing the training and placement priorities under a core supervision of a centralized CRT (Campus Recruitment Training) team and CRC (Corporate Relations Center/Placement Cell).

With a well defined CRC Policy, students are supposed to register on the Superset Platform dedicated to Placement Management Process. All the CRC registered students are facilitated with all kinds of Placement Services such as Training, Mock Tests, Neutral Assessment Platforms, Job Applications, and all on campus & off campus Internship and Placement opportunities.

Our Partnerships with some of the leading assessment and hiring partners such as AON, SHL, CodeQuotient, Talentise Global and NextGen Ventures have been acting as the gamechangers in our year on year progress in placements.

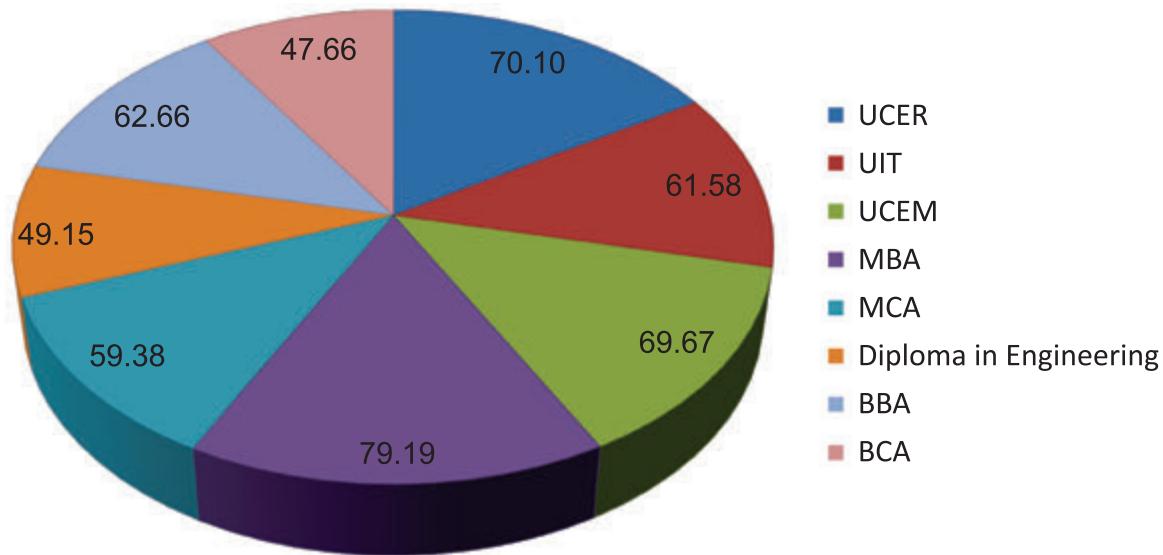

The College-wise; Course-wise placement status is shown in Table-1 and Figure-1.

**Table-1:** College/Course-wise Placement Status as on July 31, 2023

COLLEGE DATA	Number of students appeared for placements	Total no. of offers	PLACED	Placement %
UCER / B.Tech.	525	672	368	70.10
UIT / B.Tech.	203	245	125	61.58
UCEM / B.Tech.	122	164	85	69.67
UIM / MBA	221	315	175	79.19
UIM / MCA	64	64	38	59.38
UCEM / Diploma in Engineering	59	71	29	49.05
FUGS – BBA	158	141	99	62.66
FUGS – BCA	107	78	51	47.66
<b>TOTAL</b>	<b>1459</b>	<b>1761</b>	<b>979</b>	

*Note: -Placed count excludes those students who had preference of other career options over the jobs/placements. Such students are not registered on the Superset/Placement Portal.*

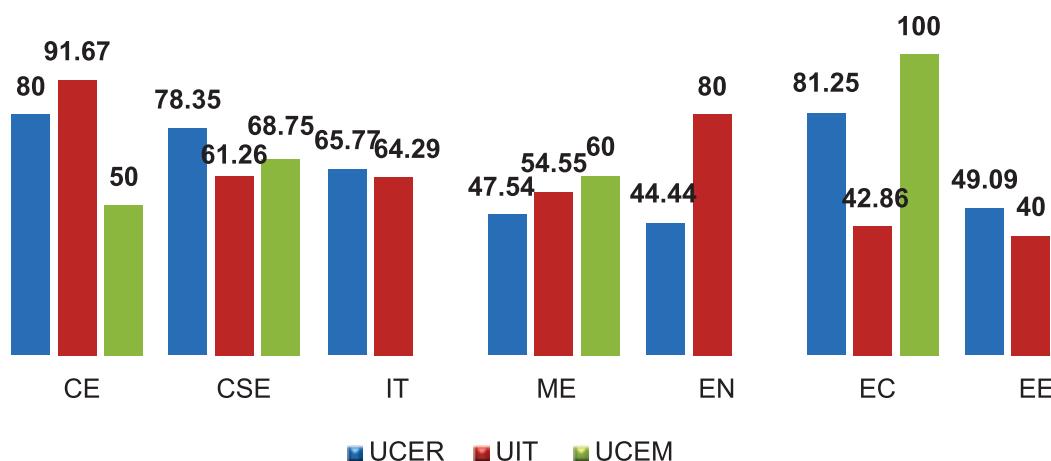

## Figure-1: UGI Institute-wise Placement % (Engineering & Management)

### College-wise Branch-wise Placement Status (Engineering) -

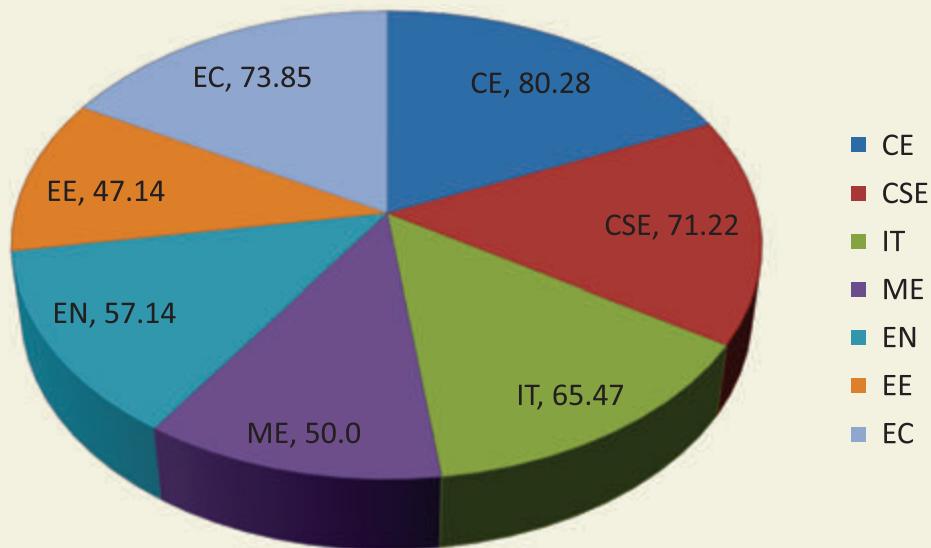

Figure-2 depicts relative Placement % for different institutes and branches of UGI. Statistics shows that this year there is a significant incline in the placement% of Civil Engineering especially UIT students giving around 92% placement result followed by UCER and UCEM observing 80% and 50% placement respectively. Similarly 100% students of Electronics & Communication Engineering branch of UCEM got placed in prominent Core and IT companies, followed by UCER EC Department that realized around 82% placement result while 50% of UIT EC students are still trying for their preferred job opportunities.

## Figure-2: B.Tech Placement % [College-wise Branch-wise]

Around 60% students of Mechanical and Electrical Engineering branches have bagged quality offers. All the offered students are being onboarded in phases following the companies' plans. Figure-3 represents overall Engineering Placement branch-wise.

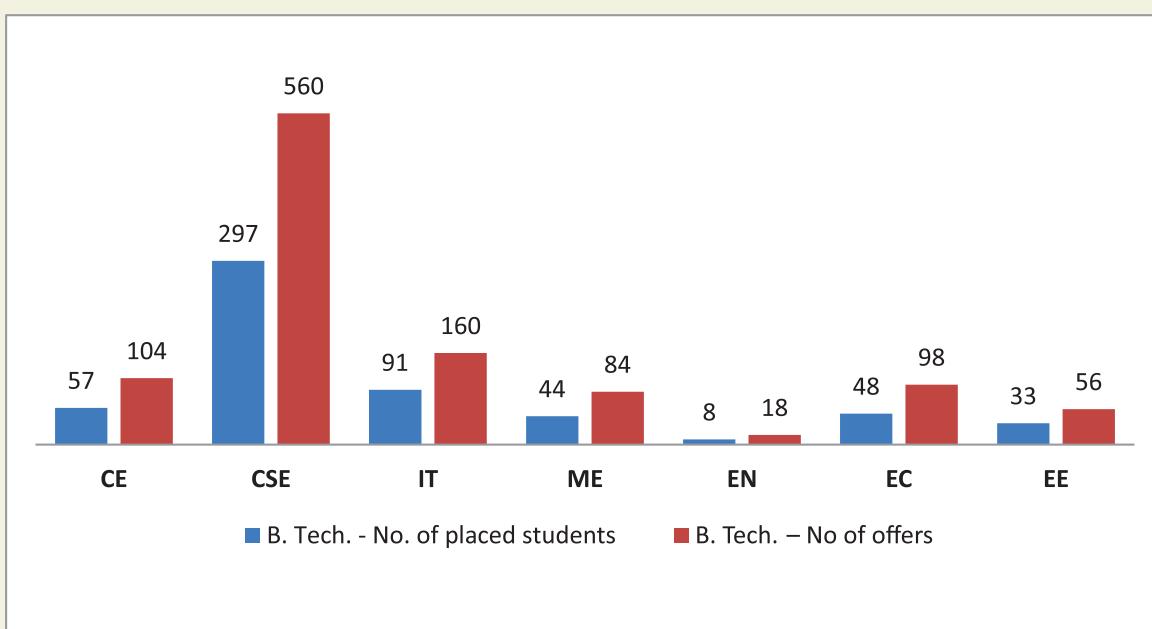

### Figure-3: B.Tech. (Overall) Branch wise placements

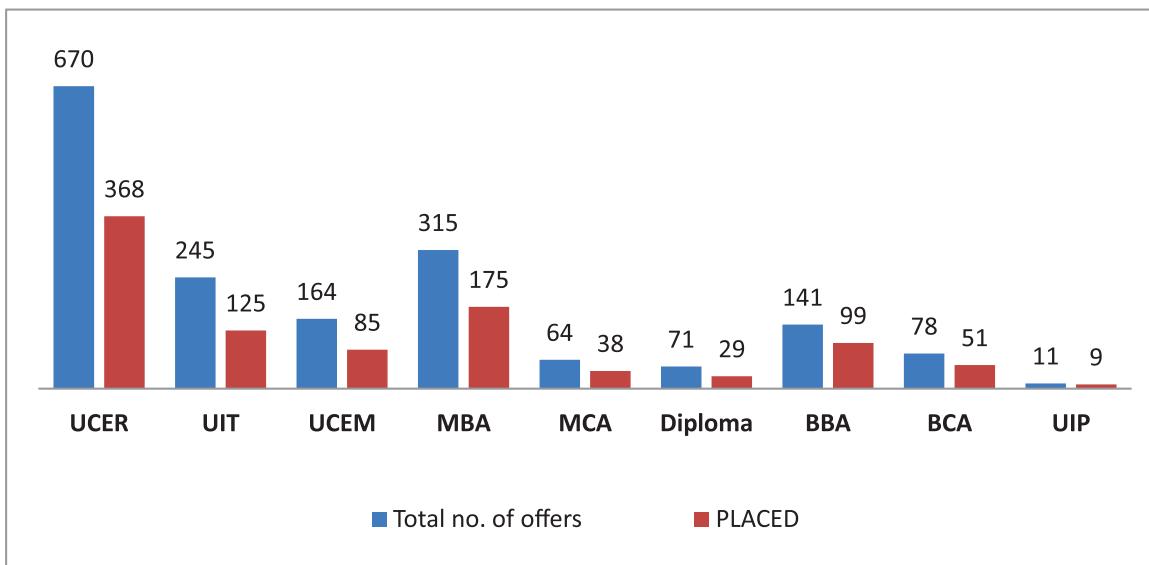

Although the demand for IT in 2023 as expected had been very strong as enterprises pushed forward with digital business initiatives in response to economic turmoil but still during the first few months, like most changes, the after impact of a move from the normal to the new normal have come with some problems in the form of a recession. Nevertheless, with the job market becoming increasingly competitive, the training & placement cell at UGI accordingly became more rigorous to prepare its students for the business world and to provide them with the necessary skills and opportunities to secure their dream jobs. Around 72% CS and more than 66% IT students getting decent job roles in reputed companies is a major accomplishment inspite of challenging situations. CRC continues to work for its unplaced students while entering into the next Placement Season with 2024 batch students ready for their Career Management and Development.

Figures-4 reflects Placed and Offered Engineering students' numbers. Likewise Figure-5 gives a glimpse of Overall Placed vs. Offered Students' Status.

### Figure-4: B.Tech - Placed vs. Offered

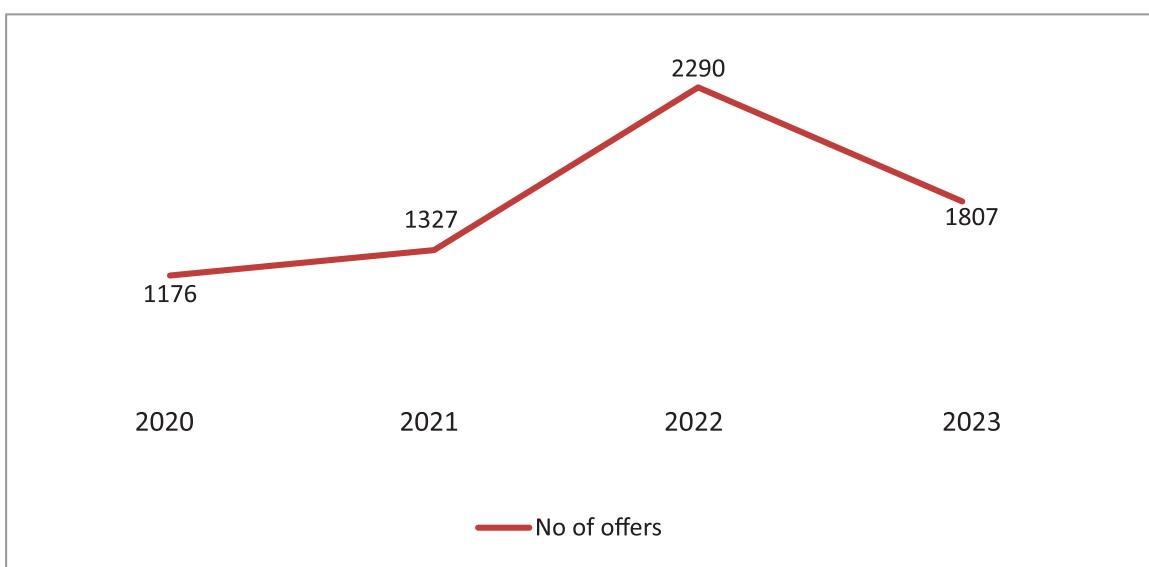

## Figure-5: Overall UGI - Placed vs. Offered

## Progressive Journey – Placements across the three Years

Core sector did relatively better in terms of hiring this year and even though tech companies have been putting up good numbers and are still confident in their projections, we still witness a slowdown in demand worldwide. Because of this CRC has been quite careful this year and by directly reaching out to the major projects and projecting companies, UGI students' placements didn't face any major challenge. No doubt, it's a decline as compared to the previous year (Figure-6) but it also has become an agenda of CRC to refine its strategy and improve upon the placement results in the coming months.

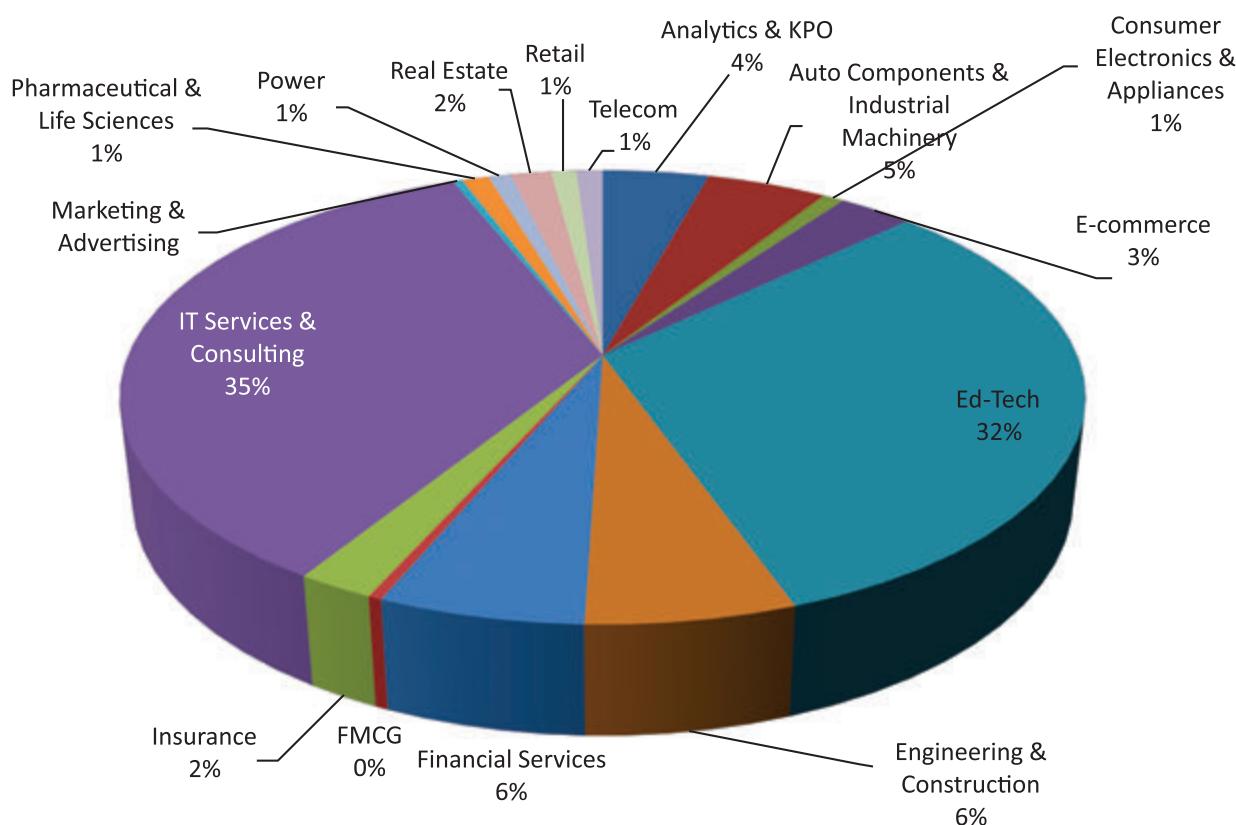

## Figure-6: Progressive Journey across 3 Years!

### Sector-wise Placement Status

Several emerging and promising sectors to provide significant employment opportunities to 2023 batch students include renewable energy, e-commerce, digital services, healthcare, telecommunications, analytics & KPO, consumer electronics & appliances, autocomponents & industrial machinery, educational services, retail and logistics, real estate, marketing & advertising, pharmaceutical & life sciences, power, FMCG, Insurance and financial technology apart from IT services and consulting. Figure-7 gives a quick overview of sectors while Table-2 signifies the details of companies across sectors with number of selections across all the institutes of UGI.

**Figure 7 : Sector - wise placements**

**Table-2: Companies across different sectors and offer details**

S. No.	Companies & Sectors	CTC Offered (Lakhs per annum)	Total selections
I.	<b>Analytics &amp; KPO</b>		
1	ESGAUGE	3.0 LPA	12
2	Ennable Ip Solutions	2.16 LPA	7
3	Empaxis Data Management	3.30 LPA	1

## OUR TOP PLACED STUDENTS

### UNITED COLLEGE OF ENGINEERING & RESEARCH, PRAYAGRAJ (UCER)

**Shivani Sharma**

UCER, ME

Placed in **Sutherland** (3.5 LPA), **Viraj Ventures** (5.5 LPA), **Teachnook** (9 LPA), **Rinex Technologies** (4 LPA), **Skill Vertex -** (6 LPA) **Chegg India** (9.6 LPA), **BlueStar India Ltd. -** (5.25 LPA), **Mascot Systems** (2.42 LPA)

**Shashank Shekhar Mishra**

UCER, EE

Placed in **Teachnook** (9 LPA), **Rinex Technologies** (4 LPA), **Skill Vertex** (6 LPA) **ISIE** (7.44 LPA), **JBM** (2.4 LPA), **Adani Gas** (5.5 LPA)

**Shruti Mehrotra**

UCER, CSE

Placed in **Infosys SE** (3.6 LPA), **Hexaware** (4.0 LPA), **Edu-Versity** (2.16 LPA), **Global Arcus** (3.6 LPA), **TCS Digital** (7.2 LPA)

**Ishika Srivastava**

UCER, CSE

Placed in **TCS (Ninja)** (3.36) LPA, **Infosys SE** (3.6 LPA), **Hexaware** (4.0 LPA), **Zemoso Technology** (6.89 LPA), **Deloitte** (6 LPA)

**Yashaswi Srivastava**

UCER, CSE

Placed in **Infosys DSE** (6.25 LPA), **Nagarro** (4.5 LPA), **JIO ILLUMINATE** (7 LPA) **TCS Digital** (7.2 LPA)

**Agrim Ray**

UCER, CSE

Placed in **Infosys SE** (3.6 LPA), **Nagarro** (4.5 LPA), **Hexaware** (4.0), **Deloitte** (6 LPA)

**Ayush Shukla**

IT

Placed in **Infosys SE** (3.6 LPA), **Nucleus** (4.33 LPA), **JIO Spark** (5 LPA), **TCS Digital** (7.2 LPA)

**Sarthak Malviya**

UCER EE

Placed in **Amazon India Ltd.** (4.5 LPA), **JBM** (2.4 LPA), **Drishti IAS** (3.36 LPA), **Tata Steel** (7 LPA)

**Radhika Arora**

UCER CSE

Placed in **TCS (Ninja)** (3.36 LPA), **Kreeti Technologies** (6.3 LPA), **HSBC** (9 LPA)

**Vaishnavi Kushwaha**

UCER CSE

Placed in **Edu-Versity** (2.16LPA) **Teachnook** (4-6LPA), **PMPL** (2.16LPA) **YoungMan** (5.50LPA)

**Sohail Tiwari**

UCER IT

Placed in **Infosys SP** (9.5 LPA), **Onit** (2.4 LPA),  
**Tech Mahindra** (4.5 LPA)

**Deeksha Vishwakarma**

UCER CSE

Placed in **TCS (Ninja)** (3.36 LPA), **HSBC** (9 LPA)

## UNITED INSTITUTE OF TECHNOLOGY, PRAYAGRAJ (UIT)

**Abdul Qadir**

UIT, ME

Placed in **Sutherland** (3.5 LPA), **Viraj Ventures** (5.5 LPA), **Rinex Technologies Skill Vertex** (6 LPA), **TCS (Ninja)** (3.36 LPA), **Utkarsh India Ltd.** (4.8 LPA)

**Anoop Mishra**

UIT, CSE

Placed in **Extramarks** (6 LPA), **Nagarro** (4.5 LPA), **JIO IGNITE** (6 LPA), **Edu-Versity** (2.16 LPA), **TCS (Ninja)** (3.36 LAP)

**Anamika Saini**

UIT, CSE

Placed in **Infosys SE** (3.6 LPA), **Hexaware PGET** (6 LPA), **JIO ILLUMINATE** (7 LPA), **TCS (Ninja)** - (3.36 LPA)

**Kritika Mishra**

UIT, CSE

Placed in **Infosys SE** (3.6 LPA), **Hexaware** (4.0 LPA), **Nagarro** (4.5 LPA), **JIO ILLUMINATE** (7 LPA)

**Uddeshy Jaiswal**

UIT, CSE

Placed In **Infosys SE** (3.60 LPA), **Skill Vertex** (6 LPA), **CompuBrain** (4.35 LPA)  
**TCS (Ninja)** (3.36 LPA)

**Adarsh Rai**

UIT, CSE

Placed in **Nagarro** (4.5 LPA), **JIO ILLUMINATE** (7 LPA) **TCS (Ninja)** (3.36 LPA)

**Mohd Farhan Ansari**

UIT, CSE

Placed in **Infosys SE** (3.6 LPA), **Synergy Machines** (8 LPA)

**Mohd Taha Khan**

UIT, CSE

Placed in **Hexaware** (4.0 LPA), **Synergy Machines** (8 LPA)

## UNITED COLLEGE OF ENGINEERING AND MANAGEMENT, PRAYAGRAJ

**Ayushi Srivastava**

CSE

Placed in **Infosys SE** (3.6 LPA), **Sutherland** (3.5 LPA), **Pyramid IT Consulting** (7.11 LPA), **Teachnook** (9 LPA), **Skill Vertex** (6 LPA) **CompuBrain** (4.35 LPA), **Rinex Technologies** (4 LPA)

**Avi Srivastava**

CSE

Placed in **Infosys DSE** (6.25 LPA), **Nagarro** (4.5 LPA), **Nucleus** (4.33 LPA) **JIO IGNITE** (6 LPA) **LYBL** (13.6 LPA)

**Akash Tiwari**

CSE

Placed in **Aloha Technology** (3.5 LPA), **KiwiTech** (3.6 LPA), **Airdit Software** (3.5 LPA) **TCS Digital** (7.2 LPA)

**Dhruv Dixit**

CSE

Placed in **Infosys SE** (3.6 LPA), **Hexaware** (4.0 LPA), **Nagarro** (4.5 LPA), **ICICI Pru - AMC** (7.5 LPA)

**Amit Deep Kushwaha**

CSE

Placed in **Infosys DSE** (6.25 LPA), **Teachnook** (9 LPA), **Code Quotient** (1.8 LPA), **Synergy Machines** (8 LPA)

**Paritosh Pranjal**

CSE

Placed in **Hexaware PGET** (6 LPA), **Zemoso Technology** (6.89 LPA), **Wiley Edge** (11 LPA)

**Harsh Gupta**

CSE

Placed in **Code Quotient** (1.8 LPA), **Synergy Machines** (8 LPA)

**Animesh Singh**

CSE

Placed in **Infosys SP** (9 LPA)

## UNITED INSTITUTE OF MANAGEMENT, PRAYAGRAJ (MBA)

**Pragati Singh**  
UIM, MBA

Placed in **ISIE** (7.44 LPA), **Aditya Birla** (2.34 LPA)  
**Axis Securities (AMC)**, **Drishti IAS** (3.36 LPA)  
**HUL** (4.5 LPA)

**Himanshu Tiwari**  
UIM, MBA

Placed in **Viraj Ventures** (5.5 LPA),  
**Indiamart Ltd.** (3.30 LPA), **ISIE** (7.44 LPA)  
**Seed Fincap Ltd.** (4.53 LPA),  
**Kent RO** (3.60 LPA)

## VALUE ADDITIONS@CRC

### 1. Placement Internship Program (PIP)

The Placement Internship Program (PIP) was envisioned at the level of CRC in the beginning of Session 2022 – 2023 with the idea to involve the students as placement interns in the campus recruitment activities. The efforts of the placement interns helped CRC in aligning some good recruitment drives which enabled the students to bag some full time job offers and internships.

The program helped the placement interns to groom their professional skills and increase their professional network. Also they were able to earn a certificate for their diligent and sincere contribution.

The students who were recommended for the award of certificate are:

**MANAS AGARWAL**  
BBA – FUGS

**ARNAV VERMA**  
BBA – FUGS

**SUCHITA PRAKASH**  
BBA – FUGS

**PRERIT MISHRA**  
B.TECH-CS-UCER

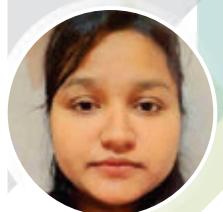

**ADITI SINGH**  
B. TECH - CS - UCEM

**ASHUTOSH SAHU**  
B. TECH - CS - UIT

**SHREYANSH GOSWAMI**  
B. TECH - ME - UCER

**POOJA GOUD**  
B. TECH - EC – UIT

### 2. ALUMNI MENTORSHIP PROGRAM

#### NO TOUCH ALUMNI MENTORING PROGRAM – RESUME REVIEW

CRC in association with VAAVE offers an exciting opportunity to take students' career to new heights through the Alumni Mentoring Program which aims to bridge the gap between classroom learning and real-world application by pairing students with mentors who are their Super Seniors and have extensive industry experience.

This is a month-long initiative of 'No touch Mentoring Program - Resume Review' under the 13x Mentoring Programs by Vaave, under which we aim to facilitate the participation of UGI students who are graduating in the year 2024. These students will be submitting their resumes and we will have three alumni reviewing the resumes.

#### Instructions for the students:

- Visit the Mentoring Platform at: <https://13x.app/programs/ugi-alumni-mentoring>.
- Click on "Resume Review" and submit your resume.
- If you are not signed up, follow the "Sign Up" process and create your account.
- Complete your profile by providing the necessary information.

#### By participating in this program, you will have the opportunity to:

- Receive personalised feedback and advice on your resume and interview techniques.
- Gain industry insights and knowledge from experienced professionals.
- Expand your professional network by connecting with mentors and like-minded students.

# Placement Training @ UGI

United Group of Institutions (UGI) is known for imparting quality education along with rigorous training. Its placement oriented training is considered to be a very important aspect for students to enhance their employability skills and achieve good placement in various industries.

For this purpose, United Group has its own dedicated training team that ensures job opportunity to almost every student by conducting various training programs to sharpen the skills of the students. Such programs are meant to be helpful in many ways.

**Aptitude Training -** Most of the renowned firms take several assessment tests/ aptitude tests for short listing the candidates for personal interviews. IT companies want engineers who have maximum problem solving potential. UGI offers extensive sessions of Quants, Reasoning and Verbal ability where students can brush up their logical skills.

**Technical Training -** Most of the high profile companies and lucrative packages demand technical skills and coding. Coding is a game-changer and the ones who are skilled in coding have a competitive advantage in career. UGI has a team of experts who train the students technically ensuring high packages.

**Mock Tests and Boot Camps** - United Group offers mock tests that are designed keeping the same pattern asked in different MNCs so that the students can get the real time experience of exams. Apart from this, company specific Boot Camp sessions are organized to ensure the rigorous practice of the important questions.

**Interview Preparation and Resume Building** - One of the most crucial steps to get hired by your dream company is to have a very good resume and to excel in the final rounds of personal interviews. The training cell of UGI trains its students for technical and HR rounds through mock interviews and interactive classes.

**Soft Skills Training** - Through a dedicated team we develop formidable English speaking skills through regular debates, extempore, speech exercises etc. According to experts, the more you speak in a particular language, the more articulate you become in that language.

#### **PSD (Programming Skill Development) Training**

The Programming Skill Development(PSD) model at UGI helps students to enhance their programming skills so that they could crack different Pan-India programming-based hackathons. From the first year onwards, students go through the basics of problem-solving to advance level approaches like Dynamic Programming, Backtracking, etc. The outcome could be measured in terms of massive selection in IT Services and Product based companies with higher packages.

## TRAINING AND PLACEMENT TEAM

**Dr. Divya Bartaria**  
Dean – Corporate & Industry  
Relations

**Prof. Sanjay Srivastava**  
Principal, UIT  
& Head CRT

**Prof. Nandita Pradhan**  
DSW/HoD-EC, UCER  
& Head CRT

## DEPARTMENT OF TECHNICAL TRAINING

**Dr. Vijay Dwivedi**  
Associate Professor  
and Head, CS/IT, UCER

**Mr. Dhananjay Sharma**  
Head, Department of  
Technical Training

**Mr. Bhanu Pratap Rai**  
Assistant Professor  
& PSD Trainer

**Mr. Shyam Bahadur Verma**  
Assistant Professor  
& PSD Trainer

**Mr. Prashant Soni**  
Assistant Professor  
& PSD Trainer

**Mr. Dilip Kumar**  
Assistant Professor  
& PSD Trainer

**Mr. Rahul Kesarwani**  
Expert Technical  
Trainer

**Mr. Param Goel**  
Expert Technical  
Trainer

**Mr. Dinesh K. Kushwaha**  
Expert Technical  
Trainer

**Mr. Gaurav Narain Singh**  
Assistant Professor  
& PSD Trainer

## TEAM CRT (CAMPUS RECRUITMENT TRAINING)

**Mr. Pradip Sengupta**  
Sr. Trainer, Verbal Ability

**Mr. Kripan Sharma**  
Quants Trainer

**Ms. Shruti Sharma**  
Verbal Ability Trainer

**Ms. Pooja Sachdeva**  
Verbal Ability Trainer

**Mr. Gaurav Goswami**  
Logical Reasoning Trainer

**Mr. Manish Tripathi**  
Quants Trainer

**Mr. Ankit Gupta**  
Quants Trainer

**Mr. John Haider Rizvi**  
Verbal Ability Trainer

**Mr. Deepak Kumar**  
Logical Reasoning Trainer

**Mr. Omit Singh**  
Logical Reasoning Trainer

**Mr. Arun Kumar**  
Quants Trainer

**Mr. Shivanand Dubey**  
Quants Trainer

**Mr. Arjun Kumar**  
Logical Reasoning Trainer

**Mr. Dheeraj Kumar**  
Logical Reasoning Trainer

**Mr. Amit Kumar**  
Quants Trainer

**Ms. Tanya Gupta**  
Verbal Ability Trainer

## TEAM CRC (CORPORATE RELATIONS CENTRE)

**Mr. Pranav Singh**  
HOD – Corporate  
Relations

**Mr. Anilesh Srivastava**  
Sr. Manager – Corporate  
Relations

**Mr. Rishi Raj Pandey**  
Manager – Corporate  
Relations

**Ms. Kirti Singh**

## TESTIMONIALS

**Amardeep Patel**

B.Tech - Electronics and Communication  
BATCH- 2019- 2023  
UCER

United College of Engineering & Research has been a transformative journey for me, thanks to its exceptional faculty and CRC. Over four years, I excelled academically and actively participated in extracurricular, motivated by my teachers. Regular workshops and sessions contributed to my personal and professional growth. The CRC commitment to our development prepared me thoroughly for the industry, leading to numerous job opportunities in **Skill Vertex (7 LPA), Rinex (4 LPA), Teach Nook (6 LPA), Ennable IP(2.16LPA)**. I owe my success to the unwavering encouragement and support from the college. The value and memories gained are priceless, making it the foundation of my success and personal growth, instilling confidence and preparedness for the future.

**Shruti Mehrotra**

Computer Science &amp; Engineering (CSE)

United College of Engineering &amp; Research, Prayagraj (ucer)

I am absolutely thrilled and grateful to grab these offers. This achievement would not have been possible without the unwavering support of my family, college and friends. A special thanks to the UGI CRC Team for their dedication to helping students find the right opportunities played a crucial role in my success.

Their encouragement and belief in me pushed me to strive for excellence. To all students, remember that hard work, perseverance, and a positive mindset can lead to great opportunities. Embrace challenges and learn from failures, for they pave the way to success.

Believe in yourself and stay dedicated to your goals. With determination, you too can achieve remarkable heights. Thank you all to be a part of my journey!

**Ambrish Upadhyay**

MCA (2021-2023)

I am immensely grateful to all the esteemed faculty members and the College Placement Cell (CRC) for their unwavering guidance and support throughout my college journey. Their dedication and expertise have played a pivotal role in preparing me to crack placements in top companies. I owe my success to their constant encouragement and the excellent learning environment they provided. Thank you all for shaping my future and helping me achieve my dreams.

**Apurva Agarwal**

BBA

United Institute of Management

I would like to extend my heartfelt gratitude to the United Institute of Management (FUGS) for providing me with an exceptional learning experience. Throughout my academic journey, the institute's dedicated faculty and staff have continuously supported and inspired me to reach my full potential. Moreover, the institute's emphasis on holistic development has prepared me for the challenges of the professional world. I am truly thankful to United Institute of Management for shaping me into a well-rounded individual and paving the way for a successful future. The college experience at United Group of Institutions is nothing short of remarkable, fostering a vibrant learning environment, state-of-the-art facilities, and a supportive faculty who inspire and empower students to reach new heights of knowledge and expertise. The Corporate Relation Centre (CRC) of United Group of Institutions stands as a beacon of excellence, connecting aspiring students with leading companies and opening doors to promising career opportunities. Lastly I would like to say that I feel very privileged to be part of this great institution.

**Anoop Mishra**

United Institute of Technology

Branch - Computer Science

Batch - 2019-23

Due to the efforts made by the faculty and placement cell at the United Institute of Technology, I was able to enhance not only my technical skills but also my communication skills and was able to get various job opportunities in Nagarro (4.5 LPA), Extramarks Education (6 LPA), Jio (6 LPA), Edu-versity (6 LPA). They always provided me with the assistance that I required for my overall development and to improve my technical knowledge. I will always be grateful to them for providing me with a platform for practical learning and preparing me for corporate life.

**Ishika Srivastava**

CSE

United College of Engineering and Research, Prayagraj

2019-2023

I am incredibly grateful to my college for the transformative 4-year journey that has shaped me into a confident and proactive individual. In the beginning, as an introvert, I never imagined participating actively in both academics and co-curricular activities. The unwavering support and guidance of our esteemed faculty members and the CRC played a pivotal role in my growth. Numerous workshops, seminars, and placement training sessions provided me with the confidence to face any company's placement drive with determination. I extend a heartfelt thank you to my college and all CRC and CRT trainers for their invaluable guidance.

Their mentorship has been instrumental in securing placements in five prestigious companies: Infosys(3.6LPA), TCS (3.36 LPA), Hexaware (4LPA), Deloitte (5LPA), and Zemoso Technologies (6.89 LPA).

**Muskan Srivastava**

B.Tech

Information Technology

UCER

2019-2023

I am grateful to the CRC and faculty members who provided me with unwavering support and guidance throughout my academic journey. The four years spent at this institution have transformed my personality & honed my skills. The curriculum was well-structured, industry-relevant, and provided ample opportunities for practical learning and personal growth. I would like to express my heartfelt gratitude to CRC for their invaluable guidance and support, which helped me secure job opportunities in Codeyoung (7.36 LPA), Jio Platform limited (6 LPA), TCS Ninja (3.36 LPA) & HCL(3.25 LPA). I am thankful to United Group of Institutions for providing me with opportunities & environment that helped me to upgrade myself.

**Dhruv Dixit**

B.Tech

Computer Science and Engineering,

United College of Engineering and Management (Prayagraj),

2019-2023

During my 4-year tenure, educators consistently urged me to partake in extracurricular, broadening my horizons beyond academics. Workshops honed technical and interpersonal skills. CRC, boasting commendable strategies, has been instrumental in nurturing an industry-ready profile for me through its engaging developmental lectures. With unwavering support and motivation, I found myself presented with diverse employment prospects and got offers as follows: on-campus opportunities as **Infosys (3.6 LPA)**, **Nagarro (4.5 LPA)**, and **Hexaware (4 LPA)**, as well as an off-campus opportunity at **ICICI Prudential AMC (7.5 LPA)**. Collectively, these 4 years have not only propelled my professional advancement but have also bestowed me with invaluable experiences and memories that I will forever hold dear.

**Mahi Agrawal**

B.Tech

IT

UCER

2019-2023

I am incredibly grateful to my college for the exceptional guidance and support they provided in shaping my career. Thanks to their dedicated efforts, I had the privilege of securing placement offers from not just one, but four prestigious companies ,which helped me secure a placement at Appinventiv (4.2 LPA), TCS (Ninja), Infosys (3.8 LPA), and Hexaware (4 LPA) which provided me with a solid foundation for my career. The comprehensive education and practical skills I gained during my time at the college played a pivotal role in my success.

## MISSION

We aspire to reassert the significance of high quality education by producing competent professionals who can shape the destiny of our nation into a stronger and developed stature. We envisage that high quality education using interactive methodologies will equip students to excel as a professional. The values instilled among students while imparting education, will strengthen the moral and ethical fabric of the nation and revive the human spirit. The zeal of competitiveness will always be positive and setbacks will only be catalysts for greater achievements. With these beliefs, the United Group will strive towards faster evolution, and will make its marks on the global academic map.

FUTURE  
SECURED

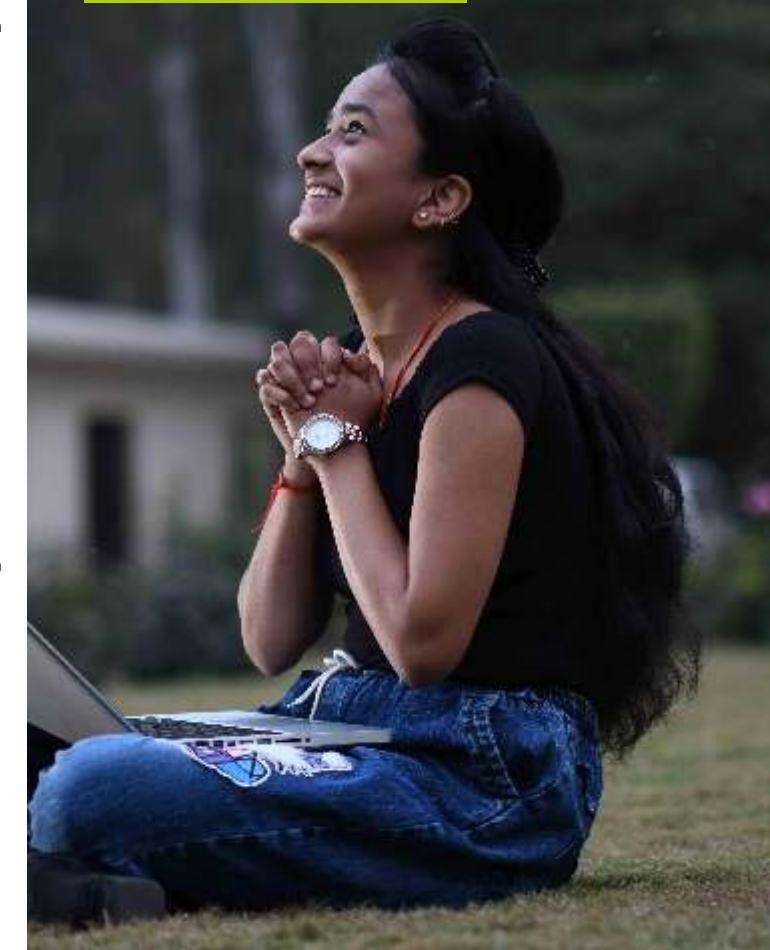

It's our mission at UGI to prepare you for the future – whatever it's going to look like for you. With experts predicting that by 2025 around 50 per cent of jobs as we know them today won't exist, it's vital that when you graduate you have a skill set that allows you to reinvent yourself in any industry. So we'll encourage and support you to develop your practical know-how alongside your technical skills, grab opportunities to experience new things here in India and across the globe, get as much hands-on experience as you can, and network with our industry and community partners.

That's YOU to the power of us

# DEPARTMENT OF COMPUTER SCIENCE ENGINEERING AND INFORMATION TECHNOLOGY

## FULLY EQUIPPED LABS

The aim of the department is to train up quality IT professionals and computer engineers to fulfill demand of skilled talent in IT sector. The department promises to go ahead with the challenge and to create a revolution keeping pace with the change of the time. Department of CS & IT offers wide range of practical training and exposure to both Software and Hardware that have industry and trade applicability. The course focuses on complete software development life cycle, database system, knowledge discovery with judicious blend of technical skills.

### LABS

The department comprises sophisticated laboratories like operating system lab, project development lab, computer hardware lab, auto-cad lab and internet lab.

- DBMS LAB
- COMPUTER NETWORK LAB
- JAVA PROGRAMMING LAB
- R&D LAB
- C/C++ PROGRAMMING LAB
- ARTIFICIAL INTELLIGENCE &
- MACHINE LEARNING LAB
- PYTHON LAB
- ALGORITHMS LAB
- PROJECTS LAB
- LINUX ADMINISTRATION LAB

## CAREER OPPORTUNITIES

There are ample career opportunities in the field of Computer Science & Information Technology. A Computer Science degree at UGI will open up avenues for its scholars in the fields of database management, embedded systems, IT, tele-communication, multimedia, computer hardware & software implementation, computer hardware & software maintenance, gaming, web designing and other related industries. Since a computer engineer has an extensive understanding of electronic devices such as microprocessors, local and wide area networks, and even supercomputers that form the basis for worldwide communications, the career paths are wide and varied. Their understanding on microprocessors, local and wide area networks and computers that form the basis for worldwide communications (supercomputers) give them this advantage. With a huge explosion in data and its applications, a career in the field of Computer Science and Information Technology can be very promising as:

- Computer Programmer
- Software Engineer
- System Designer
- Software Developer
- Professor
- Engineering Support Specialist
- Academic Research Editor
- E-Commerce Specialist
- Data Warehouse Analyst
- Big Data Engineer
- Business Intelligence Developer
- Data Scientist
- Machine Learning Engineer
- Research Scientist
- AI Data Analyst
- AI Engineer
- Robotics Scientist, etc.

2500  
LATEST PCs.

<b>B Tech</b>	
Computer Science & Engineering	4 years
Computer Science & Data Science	4 years
Computer Science & Engineering (Artificial Intelligence & Machine Learning)	4 years
<b>M Tech</b>	
Computer Science	2 years

# DEPARTMENT OF CIVIL ENGINEERING

Department of Civil Engineering is an integrated department which comprises the best academics, staff and students from around the United Group of Institutions. The department focuses on advanced research and education in the broad area of structural, geotechnical, transportation, surveying, and hydraulic engineering.

The educational objectives of the civil engineering program are designed to produce skilled engineers who are ready to contribute effectively to the civil engineering profession and are ready to handle the challenges of the profession. The civil engineering department is committed to produce civil engineers who:

- Shall apply fundamental technical knowledge and skills to find creative solutions to technological challenges and problems in various areas of basic sciences and engineering.
- Shall be able to analyze, design and use skills in order to formulate and solve civil engineering problems.
- Shall be able to practice civil engineering in a responsible, professional and ethical manner and implement eco-friendly sustainable technologies for the benefit of industry and society.
- To take up higher education & to engage in research and development in civil engineering and allied areas of science and technology.

## COURSES OFFERED

COURSES	Duration
B Tech Civil Engineering	4 years
Engineering Diploma Civil Engineering	3 years

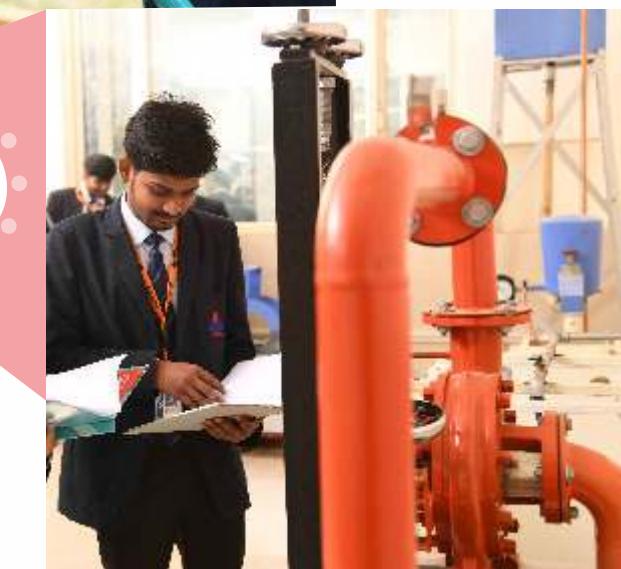

## MODULAR LEARNING LABS

## OUT-BOUND SURVEY CAMP ORGANIZED ANNUALLY FOR CIVIL ENGG. STUDENTS

### LABS

- Building Material Lab
- Concrete Lab
- Environmental Engineering Lab
- Fluid Mechanics
- Geo Technology Lab
- Strength Of Material Lab
- Structural Analysis Lab
- Surveying Lab
- Transportation Engg Lab
- Geo Informatics Lab

## CAREER OPPORTUNITIES

- Building control surveyor
- CAD technician
- Consulting civil engineer
- Contracting civil engineer
- Design engineer
- Estimator
- Nuclear engineer
- Site engineer
- Structural engineer
- Water engineer
- Building services engineer
- Construction manager
- Engineering geologist
- Fire risk assessor
- Geotechnical engineer
- Patent attorney
- Quantity surveyor
- Sustainability consultant
- Urban designer

After the successful completion of course, graduates have wide opportunities to work in private and public sectors and industries. Graduates also have scope for pursuing higher studies and/or research.

# DEPARTMENT OF ELECTRICAL ENGINEERING

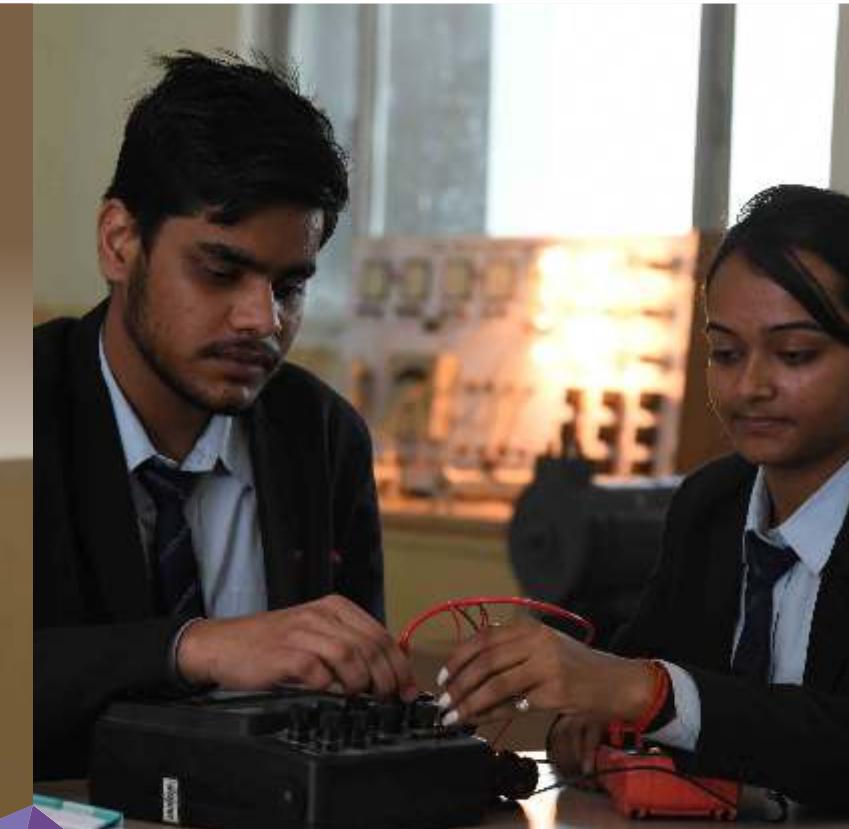

Department of Electrical Engineering at UGI offers a unique mix of electrical, electronics and computer related courses enabling the students to take up professional career / higher studies in any of these areas. The curriculum based on a credit scheme is updated periodically to reflect changes in the electrical & electronics profession in consultation with experts from industries and renowned academic institutions. Some of the innovative practices are included as part of the curriculum like practice school, mini projects associated with lab and theory courses, continuous evaluation, relative grading, etc. The department has excellent link with leading industries and has a well-connected alumni network.

## COURSES OFFERED

COURSES	Duration
B Tech Electrical Engineering	4 years
M Tech Power Electronics & Drive	2 years
Engineering Diploma Electrical Engineering	3 years

## MODERN DIGITAL LABS

## ELECTRIC VEHICLE LAB IN COLLABORATION WITH ISIE INDIA

### LABS

- Power Electronics & Drives Lab (UG & PG)
- Electrical Machinery Lab
- Circuits and Measurements Lab
- Microprocessors and Embedded Systems Lab
- Basic Electrical Engr Lab
- Control Lab
- Simulation Lab
- Measurement Lab
- IoT Lab
- Power System Lab

Electrical engineering is one of the preferred disciplines in the field of engineering and technology. Electrical engineering is divided into many subfields that include electronics, digital computers, power engineering, telecommunications, control systems, radio-frequency engineering, signal processing, instrumentation and microelectronics. Due to the mammoth-like size of the electronics industry and the rapidly increasing use of electricity, career opportunities in Electrical Engineering are also increasing.

- Engineering Technologist
- Development and Test Engineers
- Electrical Product Design Engineer
- Project Manager
- Chief Engineers
- Operations Manager
- Consultants
- Project Head

## CAREER OPPORTUNITIES

The Faculty of E & T, through its courses in Electrical Engineering would mould its students for the options available in the field of building industries and services, manufacturing, construction, design, transportation network, wireless communication, automotive, defense, sales, production, management and distribution of power. Also higher education options are available to those who aspire to choose their profession in teaching and research in electrical engineering. Some of the job profiles are:

# DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

## HIGH END DESIGN AND ANALYSIS LABS

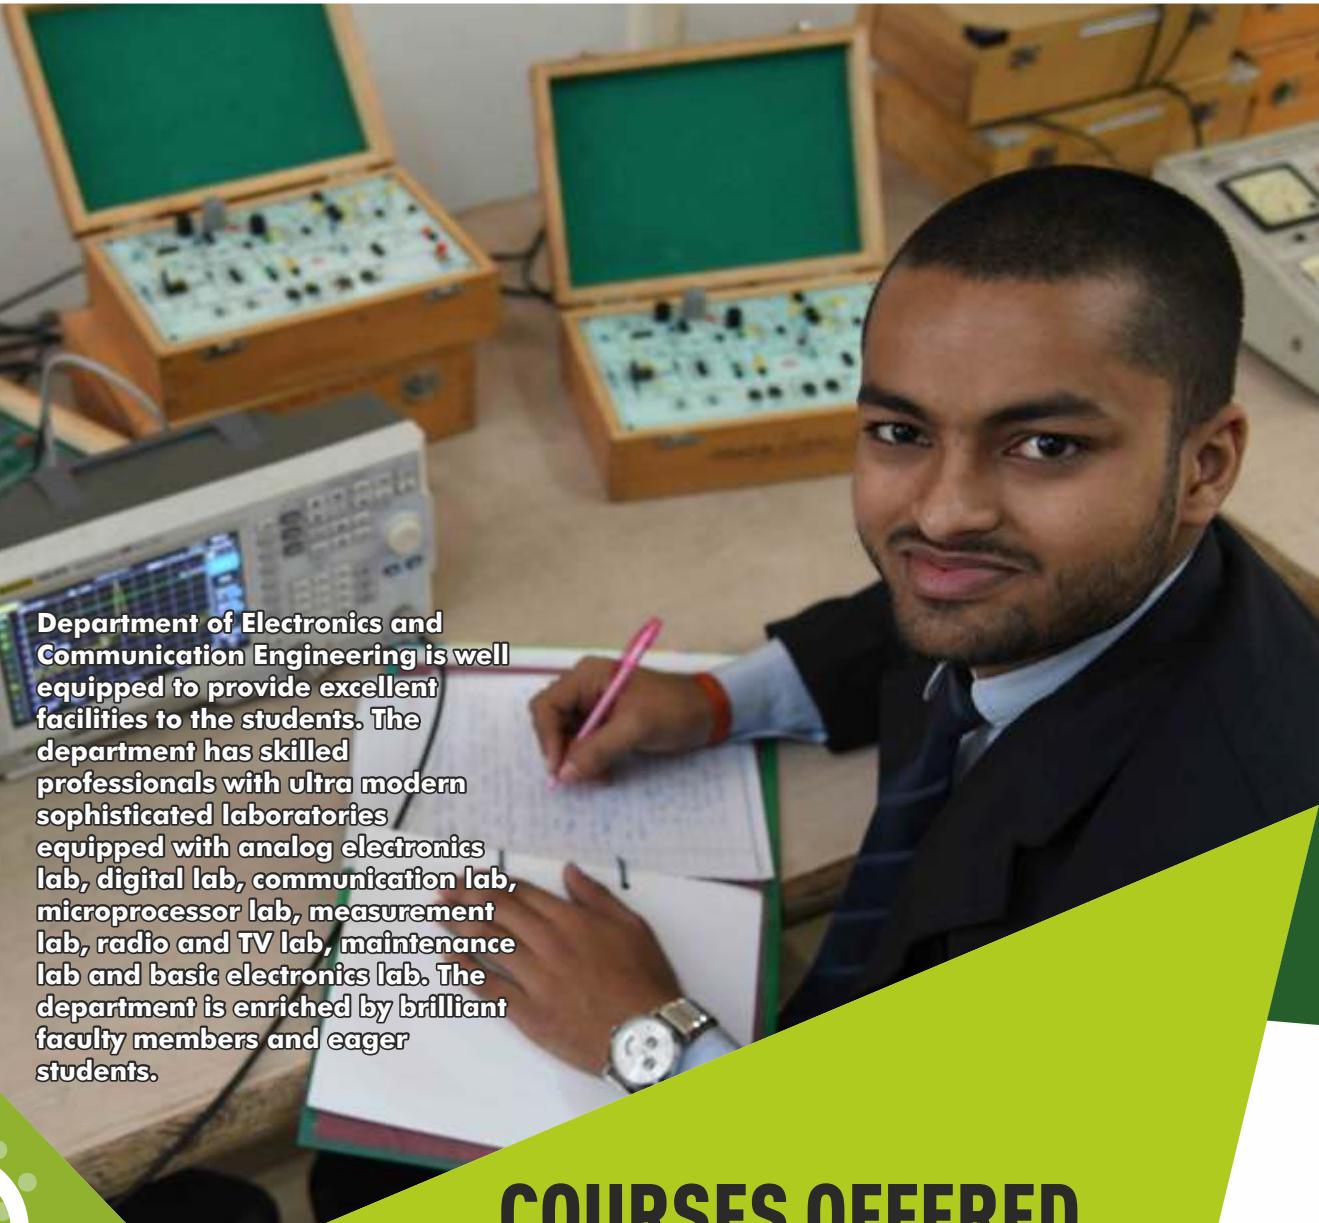

### TOP NOTCH HARDWARE AND SOFTWARE FACILITIES

#### LABS

- Research Lab
- Analog Electronics Laboratory
- Digital Electronics Laboratory
- Microprocessor and Embedded System Laboratories
- Analog and Digital Communications Laboratories
- VLSI Design Lab
- Software Lab
- Microwave Lab
- Simulation Lab
- PCB Lab
- Project Laboratory
- Micro Controller Laboratory
- Digital Signal Processing Laboratory
- Control System and Instrumentation Laboratories

- Automation
- Software Solutions & Consulting
- Product Development
- Aerospace
- Automotive Electronics Medical Electronics, Research, etc
- VLSI
- Signal Processing
- Image Processing
- Robotics
- Embedded Systems
- Telecommunications - Wireless, Satellite, etc
- Control Systems and many more

Department of Electronics and Communication Engineering is well equipped to provide excellent facilities to the students. The department has skilled professionals with ultra modern sophisticated laboratories equipped with analog electronics lab, digital lab, communication lab, microprocessor lab, measurement lab, radio and TV lab, maintenance lab and basic electronics lab. The department is enriched by brilliant faculty members and eager students.

### COURSES OFFERED

COURSES	Duration
<b>B Tech</b> Electronics & Communication Engg.	4 years
<b>M Tech</b> Electronics & Communication Engg.	2 years

### CAREER OPPORTUNITIES

As an ECE graduate, you can make a career in industries like manufacturing, consumer electronics manufacturing, digital communication industry, IT, healthcare tools manufacturing, and mobile communication sector and power electronics. Graduates can choose from industries like

# DEPARTMENT OF MECHANICAL ENGINEERING

Mechanical Engineering Department is one of the oldest and robust departments of the UGI . Objective of the Mechanical Engineering department is to prepare the manpower that is globally best. Most of the students, who graduate from the department, end up taking leading positions in industry, academia and government in both India and abroad. The Mechanical Engineering Program is designed to prepare students for successful careers having positive societal impact in industry, government, academia, and consulting. Our alumni are expected to:

- Apply their engineering knowledge, critical thinking, creativity, and problem solving skills with integrity and inclusivity in professional engineering practice or in non-engineering fields, such as law, medicine, or business.
- Continue their intellectual development through graduate education, professional development courses, self-directed investigation, and/or on-the-job training and experience.
- Embrace leadership and collaborative roles in their careers.

## COURSES OFFERED

### COURSES

#### B Tech

Mechanical Engineering

4 years

#### M Tech

CAD

2 years

#### Engineering Diploma

Mechanical Engineering

3 years

## STATE-OF-THE-ART LABS

## STATE-OF-THE-ART COMPUTER AIDED MANUFACTURING LAB (CAM)

### LABS

- Refrigeration & Air Conditioning Lab
- IC Engine Labs
- Fluid Mechanics and Machinery Fluid Lab
- Strength of Materials Lab
- Material Science Lab
- EDM , FMS, CAD Lab
- Automobile Lab
- Dynamics Of Machines Lab
- Measurement & Metrology Lab
- Mechatronics Lab
- Engineering Mechanics lab
- CAM Lab
- Robotics Lab
- Engineering Workshops

If you are interested in machinery, material science, robotics, micro devices, weapons design, aircraft, watercraft, and their manufacturing, then mechanical engineering is the best choice to convert your passion into profession. Being one of oldest and broadest disciplines of engineering, jobs offered to skilled mechanical engineers are in plenty and unending. Industries like automobiles, space research, bio-mechanical, aeronautical etc. are constantly looking for mechanical engineers and this what this faculty targets and prepares its students for. After the completion of the course in mechanical engineering at UGI, lots of opportunities could be explored upon in various fields of manufacturing, production, services and development. Some of the job profile offered by prominent industries in India and abroad are:

- Mechanical Engineer
- Design Engineer – Mechanical
- Automotive Engineer
- Building systems Engineer
- Power Plant Engineer
- Robotics Engineer
- Chief Mechanical Engineer
- Heating Specialist Engineer
- Lubrication Engineer
- Mould Design Engineer
- Thermal Power Engineer
- Tool Engineer

## CAREER OPPORTUNITIES

# DEPARTMENT OF COMPUTER APPLICATIONS

At UGI , primary aim of Faculty of Computer Applications is to train and educate individuals who have keen interest and desired skills to be able to fulfill the requirements of the IT industry. The curricula so designed represent a combination of computing trends and latest technologies creating a fertile ground for the cultivation and dissemination of knowledge and skills for the future researchers, powerful academicians and innovative IT Analysts.

## SMART CLASSROOM & LIVE INDUSTRIAL PROJECTS

### LABS & WORKSHOPS

Faculty of Computer Applications at UGI is fully equipped with computer laboratories and smart classrooms. Students are exposed to live industry projects to enable them to gain insights into the working of the IT industry. Students will be able to work on the specializations like Software Development & Testing, Systems Engineering, Networking, Application Software, Hardware Technology, Troubleshooting, Gaming etc.

## CAREER OPPORTUNITIES

## COURSES OFFERED

COURSES	Duration
MCA	2 years
Masters in Computer Application	
BCA	3 years
Bachelors in Computer Application	

Career prospects after BCA & MCA include job profiles such as:

- Software Developer
- Software Engineer
- Software Consultant
- Software Application Architect
- Hardware Engineer
- Computer System Analyst
- Database Administrator etc.

# DEPARTMENT OF MANAGEMENT STUDIES

## COURSES OFFERED

COURSES	Duration
<b>MBA</b> Masters in Business Administration	2 years
<b>BBA</b> Bachelor in Business Administration	3 years

## CAREER OPPORTUNITIES

- Career prospects after Management Studies include job profiles such as:
- Telecom
  - Utilities
  - Software Services
  - Government Agencies
  - Pharmaceuticals & Healthcare
  - Retail
  - Real Estate
  - Sales Manager
  - Marketing Manager
  - Business Consultant
  - Financial Analyst
  - Human Resource Manager
  - Finance
  - Banking & Insurance

## STATE-OF-THE-ART BUSINESS LAB

### LABS & WORKSHOPS

UGI intends to ensure a fully digitized B-School Faculty that facilitates research and learning with relevant and modern e-learning resources, software and tools. The FMS(Faculty of Management Studies ) will use its capacity to bring the industry intelligence to the classrooms and transform the industrial requirements into curricular activities and future opportunities for the learners. The state of art business labs that prepare students for placements include:

- Psychometric Lab
- Communication Lab
- Ideation & Innovation Centre
- Business Analytics Lab

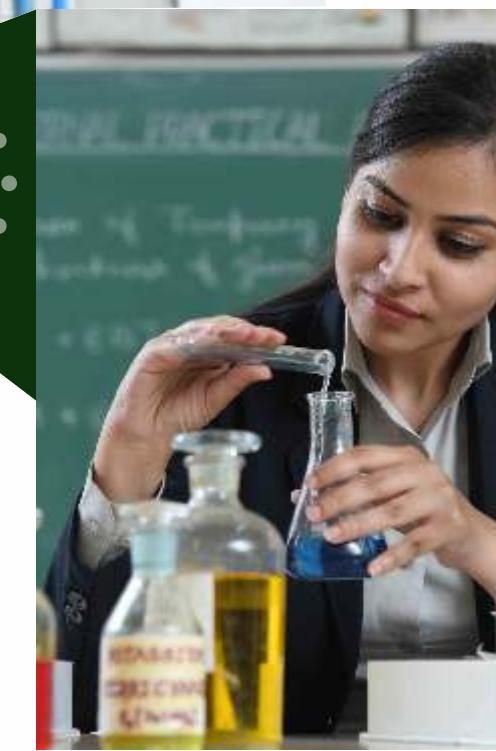

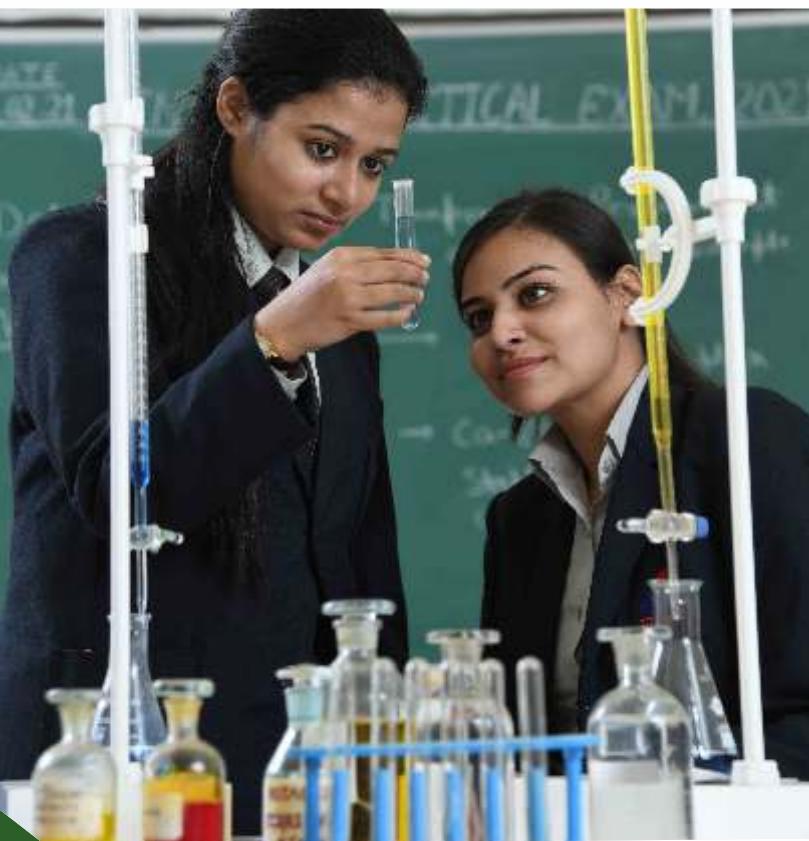

# DEPARTMENT OF PHARMACY

## COURSES OFFERED

COURSES	Duration
<b>B.Pharm.</b> Bachelor of Pharmacy	4 years
<b>M.Pharm.</b>	
Pharmacology	2 years
Pharmaceutics	2 years
Pharmacognosy	2 years
Pharmaceutical Chemistry	2 years
<b>D.Pharm.</b>	
Diploma in Pharmacy	2 years

## CAREER OPPORTUNITIES

## STATE-OF-THE-ART LABORATORIES

### LABS & WORKSHOPS

- Pharmaceutics labs .....
- Pharmacology labs .....
- Biotechnology labs .....
- Pharmaceutical Analytical labs .....
- Machine room .....
- Medicinal garden .....
- Animal House .....
- Simulation Lab .....
- Pharmaceutical Chemistry Lab .....
- Research Lab .....

Over the years large inflow of graduates and post graduates in the field of Pharmacy has led to an increase in career options and future prospects of Pharmacy students.

- Industry: as Industry Pharmacist/ Chemist/ Executive Sales and Marketing executive Drug Inspector Hospital and community pharmacist
- Entrepreneur
- Health Insurance executive
- Knowledge processing or organizations
- Clinical research co coordinators
- Medical Writing
- Pharma co vigilance executive

## INFRASTRUCTURE @UNITED

## AUDITURIUM ACTIVITY CENTRE

United's Awe-inspiring infra-structure provides the students with an excellent environment to pursue their academic passion and for outstanding academic delivery. The campuses span more than 200 acres comprising lush green lawns dotted with hi-tech laboratories and modern buildings. The campus offers a fusion of environment, resources and support to maximize the quality of the student experience.

The spacious lecture halls, e-class rooms, Conference Halls, Induction Halls, Auditorium, Meeting rooms are well equipped with all latest gazettes, viz; ceiling mounted LCD Projectors, OHPs, Slide Projectors and other Audio-visual equipments providing environment conducive for teaching and learning. United takes pride in its advanced and state-of-the-art laboratories which assist the students to supplement theoretical knowledge with practical skills.

The Libraries boast of a mammoth collection of more than 2,78,000 titles/books, magazines and journals. Book bank facility is also provided to each and every student. The students and faculty also have the access to the Nalanda E-Consortium through which they can access online material of IEEE, SPRINGER, ELSEVIER etc.

We at United understand you and constantly strive to ensure the comfort of home at our place. We offer separate accommodations for boys & girls amidst an environment that stimulates learning and provides ample scope for recreation.

Also services like Food courts, gymnasium, wi-fi, sports complexes, banks, hospitals create vibrant environment in our campuses, thus making it a second home for the students.

BOOKS  
LIBRARY

"THE UNITED LIBRARY CATERSTO ALL STUDENTS AS THEREARE A RANGE OF BOOKS AND STUDY SPACES THAT OFFERS A MORE FLEXIBLE STUDY ENVIRONMENT WHERE I GET TO BASK IN THE NATURAL LIGHT AND STUDY AND SOCIALISE WITH MY FRIENDS."

# LIFE BEYOND CLASSROOM

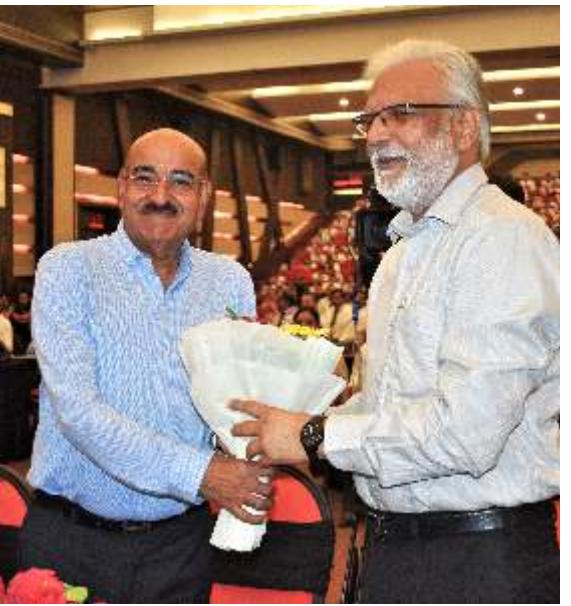

## STUDENT CENTRAL

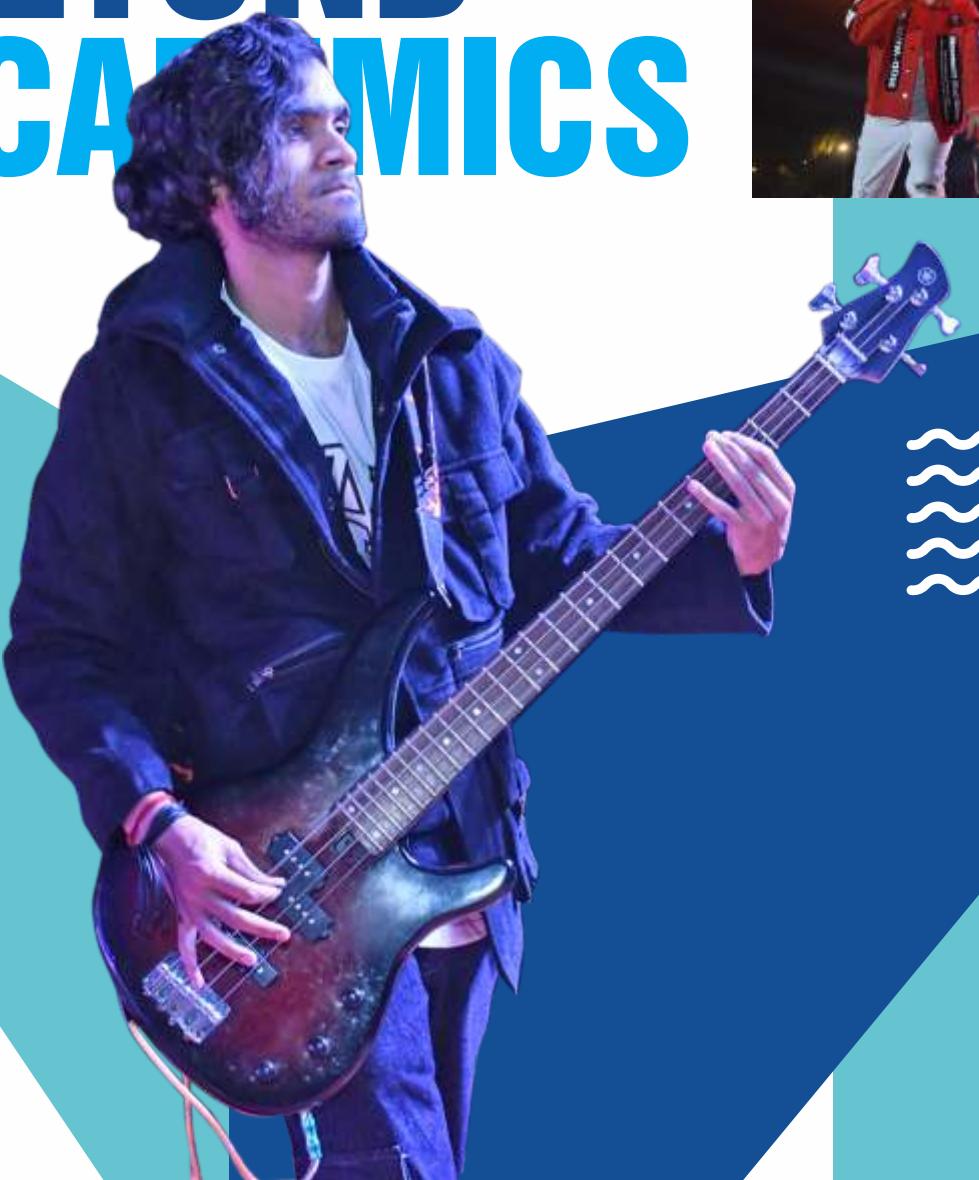

Chances are this is going to become the centre of your universe. Student Central is where it all happens and where students hang out on campus.

"Student Central is such a student oriented place. It's one of my favourite places on campus because it's all about students. I love the fact that we have our own shop at the campus, and I love playing badminton with Team, it's so easy to book a court in our Sports Hall."

## BEYOND ACADEMICS

ACADEMICS FORM JUST ONE FACET OF THE LIFE AT UNITED. WE ENCOURAGE THE STUDENTS TO NURTURE THEIR LIVES OUTSIDE CLASSROOMS AS WELL. A SIGNIFICANT PART OF THE STUDENT'S YEAR ENCOMPASSES COORDINATING AND PARTICIPATING IN THE ABUNDANT CULTURAL ACTIVITIES.

We believe that being involved in organising such events imbibes a healthy will of competition and cultivates team spirit. Events ranging from quizzes, debates, dance, writing, drama, music and literary activities hone an individual and ample platform is provided to showcase their flair.

QUIZZES, DEBATES,  
DANCE, WRITING,  
DRAMA, MUSIC  
AND LITERARY  
ACTIVITIES

# CAMPUS BUZZ

## CLUBS & SOCIETIES

UGI's vibrant tapestry of clubs and societies creates a dynamic campus life, offering students diverse opportunities for growth and exploration. From academic pursuits with the United Toastmasters International Club, Rotract Club, HR Club, Finance Club, to cultural immersion through SPIC MACAY, United embraces a holistic approach. Specialized societies like SPECTRUM, Mechanical Society, Electrical and Electronics Society and CS & IT Society cater to tech enthusiasts, while various student clubs foster shared interests. United offers a community where passions thrive, and connections are made.

## SPORTS MEET

Starting a new tradition, United hosted a sports meet this year inviting over 14 different colleges from around Prayagraj. The sports meet was conducted in 2 days with athletic events like track running, shot put discuss, javelin and tug of war and sporting events like football, basketball and volleyball. The response was overwhelming with over 700 participants in total from all colleges. This marked the first of many sports and athletics meet to come in the future.

## TECHFESTS

To exhibit the technical aptitude of our budding engineers, an informative exposition is organized every year. It started with UNITECHFEST; an annual festival extravaganza organized at UNITED. In the subsequent years of roaring success of such FESTS, ENIGMA takes the cue which is not just a technical event but a platform bringing together ingenious minds that can showcase their exuberant talents. Valuable feedback is obtained from the academicians who grace the occasion. This facilitates them to delve into the concepts and theories even further thus grasping the in-depth details about the dynamics of their projects.

UNITIAN'S ENDEAVOR FOR PERFECTION DOES NOT END AT THE COMPLETION OF COURSE. IT IS ENSURED THAT EVERY STUDENT IS WELL SETTLED ONCE HE/SHE IS OUT OF THE INSTITUTE. HENCE TRAINING & PLACEMENT PROCESS IS GIVEN PARAMOUNT IMPORTANCE IN UGI AS CORPORATE RELATION CENTER OF UGI BELIEVES AND PROJECTS THAT BEYOND THE SCHOLASTIC ACHIEVEMENT, OTHER AUXILIARY FACTORS SUCH AS COMMUNICATION SKILL, DICTION, VOCABULARY AND APTITUDE ARE THE INGREDIENTS FOR SUCCESSFUL PLACEMENTS.

- PERSONALITY DEVELOPMENT & VERBAL ABILITY CLASSES
- MOCK INTERVIEW
- GROUP DISCUSSIONS WITH BOTH GENERAL AND TECHNICAL TOPICS
- APTITUDE TEST PREPARATIONS
- SPECIAL MONITORING FOR THE SUMMER TRAINING PROGRAMS
- INDUSTRIAL TOURS IN ORDER TO UNDERSTAND THE REAL REQUIREMENTS OF THE INDUSTRY

# LEARNING THROUGH ACTIVITY

Under the wide umbrella of ESEP, UGI offers its students a set of 'transferable skills' that are not specific to one particular career path but are generic across all employment sectors. UGI knows the current market trend & its needs and also its students' interests & potential. With this understanding and emphasis upon a mix of skills required, ESEP@UGI offers myriad of opportunities to the career seekers of United:

1. GATE WAY to 'GATE'
2. Verbal Ability Program (VAP)
3. Campus Recruitment Training (CRT)
4. Technical Trainings (TT)
5. Industrial Exposure
6. Programming Skill Development (PSE)

## INNOVATION CENTERS @UNITED

Innovation Centers at UGI are newly established units aiming towards nurturing the innovative ideas of scientifically and technologically-driven young minds and encourages UGI scholars for research project/proposal submissions. The prime objective of these Innovation Centers is to explore and enhance the creativity and innovation skills of UGI scholars and to pursue research that not only advances science and technology but also has a societal impact. Students with innovative ideas can approach the innovation centre for guidance and financial support. The Center is equipped with state of the art facilities for research and development. Other facilities required for projects like Internet, Printers, Software, Circuit Components, Fabrication support etc are also provided at the center. Application forms may be obtained from the innovation centre. Interested students may submit their applications along with the detailed proposal in the prescribed format and may get the funding from the institute after the project is approved as per the norms and criteria of the Innovation Center. At its seedling stage, the center has received enormous quality projects beyond its expectation.

Innovation Center, UCEM, Allahabad

Innovation Center, UCER, Allahabad

Innovation Center, UCER, Gr. Noida

## START UP CELL

'United Start up Cell' aims to help and support young aspiring entrepreneurs of UGI by nurturing and empowering their new and growing startups so that they coordinate and synergize various strands of excellence, innovation and entrepreneurship. The startup ecosystem includes faculty & staff members, students, alumni and business partners that can translate knowledge and technological innovations to the societal development and economical growth of the Nation by turning their ideas into action and thereby producing more job creators and social reformists. It is continually extending and expanding its support system as an INVESTOR, as an INCUBATOR, as a CONSULTANT and as an ACCELERATOR.

Visit: [www.united.ac.in](http://www.united.ac.in)

## INNOVATIVE LEARNING

## VERBAL ABILITY PROGRAM (VAP)

'Verbal Ability Program' (VAP) is another unique feature of UGI which gets motivation from the alarmingly need of improvement in English Proficiency/Communication and Aptitude along with the other Soft Skills, which often limit students' chances of landing a job. The passionate team of experienced faculty members at United makes the students work upon their Intelligence Quotient (IQ) covering Numerical, Analytical and Reasoning skills along with English Proficiency and also their Emotional Quotient (EQ) covering their Attitude, Communication, Interpersonal and decision-making skills etc.

## CAMPUS RECRUITMENT TRAINING (CRT)

Campus Recruitment Training (CRT), a significant training lead by outsourced professional trainers is the obvious solution to unlock students' verbal, numerical, analytical and logical skills. CRT@UGI is very effective tool for empowering especially the final year students with the 'Attitude' and 'Ethics' and making them ready to face the interviews for various in-campus and off-campus drives.

## TECHNICAL TRAINING (TT)

Another new practice for 3rd year students is free of cost In-campus 'Technical/Industrial Trainings' for different streams/branches lead by outsourced trainers having industry experience and pulse of Corporate World and who can deliver their corporate experiences, share inside secrets and tips on the business world, explain what is not covered in theory and how to apply theory in real life:

## INDUSTRIAL EXPOSURE

### INDUSTRIAL EXPOSURE

We at United Group Of Institutions put a lot of emphasis on holistic learning. We believe learning should not be restricted to four walls. To give our students an insight of the internal working environment and to sensitize them to the practical challenges that organizations face we incorporate industrial visit as part of the curriculum. The aim of this industrial visit is "Education – Exposure – Experience

## GATE WAY TO GATE@UGI

GATEWAY TO 'GATE' is United's revolutionary trend of mentoring for GATE (Graduate Aptitude Test in Engineering) preparation, which is one of the biggest and the most prestigious exam for engineering graduates organized by the Indian Institute of Science, Bangalore along with all the IIT's on behalf of Government of India, NCB (National Coordination Board – GATE), Department of Higher Education and MHRD (Ministry of Human Resources Development). Spread across 6th to 8th Semesters, this spiral model of GATEWAY TO 'GATE' is an ideal preparatory forum initiated by UGI faculty for UGI students, who aim to qualify GATE and go for higher studies or PSUs.

### Special Features of GATE WAY TO GATE:

- Making the students aware about the GATE syllabus and exam pattern.
- Through uniform distribution of subjects/topics across the semesters, reducing the burden at the time of examination.
- Making the students available the GATE reference books and study materials.
- Making the students practice and solve previous year' and sample question papers.

Asian Institute of Technology  
Bangkok  
Asian Institute of Technology,  
Bangkok

 MISSOURI  
UNIVERSITY  
Missouri University,  
Columbia, USA

 UNIVERSITAT ROVIRA I VIRGILI

I am here to help you build friendships with different cultures across the globe, get involved with lots of different events and represent your own culture on campus.

United Group of Institutions has academic collaborations with the International Universities/ Institutions, which has provided an umbrella for internationality, innovation, integration, information, technology and industrial partnership to all the bright souls of the group. Signing up of MoU (Memorandum of Understanding) with Asian Institute of Technology (AIT), Bangkok, Thailand, being the first initiative in this endeavor has opened the doors for Global exposure and Global future of Unitians. More than 1050 students have already participated in 'Summer Education Workshop' at AIT and entering into its 12th plan is ready to send good number of identified, talented and technology-driven future leaders from across the UGI in the year 2024. AIT collaboration provides an exchange platform for the students, faculty members with joint research projects, joint cultural programs/projects and joint conferences.

As a next step in this direction, MoU with the Missouri University, Columbia, USA, provides with a framework for a partnership agreement ensuring close cooperation and coordination of efforts concerning training, exchange of experts and scholars, participation in joint conferences etc. At University of Missouri, 15 Unitians participated in an exclusive 3 week summer program, which provided them exposure to the best of the facilities Missouri University had to offer.

Another MoU signed with URV Spain with an agreement to foster initiatives such as student and faculty exchange, joint research projects and cultural exchange.

At URV Spain first batch of Unitians participated in a 15-day summer program which gave them a rich global exposure and enriched their experience.

UIH-United Incubation Hub is an initiative taken by United Group of Institutions and approved by government of Uttar Pradesh, to provide transitory and facilitative assistance to small enterprises or start-ups. It is spread in an area of over 14000+ sq. ft. and with well developed infrastructure which can help start-ups to scale their businesses.

The incubation centre will provide the start-ups with necessary guidance, tech support, infrastructure, access to investors, networking, and facilitating a host of other resources that may be required for the start - up to survive and scale. United Incubation Hub aims to bring out new start-up activities in the process of preparing young entrepreneurs to create new Startups. The emphasis is on converting novel ideas into prototypes.

United Incubation Hub help entrepreneurs solve the problems which is commonly associated with running a startup by providing workspace, seed funding, mentoring, and training.

UIH provides start-ups and early-stage businesses with the support and resources those young companies find difficult to access. Their support might involve access to networks, investors and mentors, or co-working space alongside other businesses and experienced professionals.

## VISION

UNITED INCUBATION HUB (UIH) is operating with a long-term vision of creating opportunities for the individuals / students / entrepreneurs, to convert their innovative ideas into Start-ups. UIH will act as a catalyst by providing handholding support to the budding entrepreneurs & start-ups so that they can excel in their respective fields of innovation and entrepreneurship.

## MISSION

- To contribute a small step in the development of our nation by empowering entrepreneurship & startups as a tool for creating job opportunities.
- To promote the culture of technological transformation of creative ideas into successful start-ups.
- To establish an excellent infrastructure and providing required resources for Product development.
- To build a dynamic start-up ecosystem in and around the region of Prayagraj by establishing a network between aspiring entrepreneurs, start-ups & industries.
- To support the start-ups for availing the benefits announced by the Start-up India & Start in UP.
- Provide professional advisory services including Legal, Financial, & Technical.
- To provide Guidance / Mentorship from the Industrial & Academic experts.
